American Rescue Plan Presents New Government Contracting Opportunities – What Prospective Contractors Should Know

March 19, 2021

On March 11, 2021, President Biden signed the \$1.9 trillion American Rescue Plan, which is expected to increase government contracting spend and opportunities for government contracting at the federal, state, and local levels through 2021 and beyond. To facilitate entry into what can otherwise be viewed as a daunting web of regulations and restrictions, Crowell & Moring's Government Contracts Group has prepared a list of [Frequently Asked Questions](#) to address many common questions companies consider as they determine whether to begin government contracting.

For more information, please contact the professional(s) listed below, or your regular Crowell & Moring contact.
