### **Changes to the Revolving Door: Trump's Ethics Executive Order**

**Jan.30.2017**

On January 28, 2017, President Trump issued an executive order setting forth the ethics restrictions for its executive agency appointees. These restrictions, [discussed more fully in our blog post](#), are simultaneously more restrictive and less restrictive than their 2009 Obama counterparts, and appear to be more focused on appointees' conduct following their exit from Government rather than on their conduct preceding and during their appointments.
