Court Gives Teeth To Service Disabled Veteran Status

April 27, 2010

In *Infiniti Info. Solutions, LLC v. U.S.*, the Court of Federal Claims set aside an 8(a) award made by HUD because the agency acted arbitrarily by claiming that a vendor's Small Disadvantaged Veteran Owned status was simply a "preference" when it was actually a requirement. Additionally, the Court determined that HUD improperly issued a statement of work to the vendors in contravention of SBA regulations that allow only for informal assessments of participants' capabilities.
