

## CLIENT ALERT

### FAPIS Information To Be Publicly Available

Aug.03.2010

On July 29, 2010, President Obama signed the supplemental appropriations bill which contained a provision amending the Clean Contracting Act of 2008 -- the legislation that gave rise to the Federal Awardee Performance and Integrity Information System ("FAPIS"). As a result of the new language ("the Administrator shall post all such information, excluding past performance reviews, on a publicly available Internet website"), information in FAPIS must be made available to the public, except for past performance reviews.
