**Updated April 21, 2020**

We have drafted an *'HR-Related Coronavirus Q&A'* in response to recent developments, and we thought that it might be of interest to you. You will find this Q&A [here](#). In it, we take a look at our clients' most commonly asked questions regarding the impact of the virus.

The questions and answers in this Q&A are of course of a general nature and should not be considered to be comprehensive legal advice on specific questions and/or cases. Do not hesitate to contact our team if you have any specific questions and/or would like any advice with regard to a concrete situation.

You will also find *'Coronavirus Workplace Guidelines'* for US employers, which include useful tips and recommendations of a general reach as well (EU-based employers may disregard the US-specific guidelines).

Our team will continue to closely monitor developments and keep you posted.
