

## CLIENT ALERT

### How Did We Get Here and Where Are We Headed?

**December 19, 2012**

Although much uncertainty remains, there is an emerging consensus that overall budgetary cuts are likely to occur in the coming weeks, whether as a result of sequestration or an alternative deficit reduction plan. In "*Cliff Notes: The Long, Slow Trudge Toward Sequestration*," published by *Law360* on December 17, C&M attorneys Angela Styles, Steve McBrady, and Stephan Rice provide a brief retrospective of the developments in 2012 and a short overview of what contractors can expect in the weeks ahead as the countdown to sequestration approaches.

For more information, please contact the professional(s) listed below, or your regular Crowell & Moring contact.
