### **Introducing the "Government Contracts Classroom"**

**Feb.20.2020**

Welcome to our [Government Contracts Classroom](#). Through a variety of media, the Classroom will serve as a resource for government contractors. The Classroom is intended to provide insight and training on issues that government contractors, and their legal and business teams, often face. The Classroom will be updated regularly with new content, host on-demand materials, and have a schedule of upcoming presentations hosted by the Crowell & Moring Government Contracts Group.

We'd love to hear from you – please [click here to suggest topics](#) for future trainings.
