Significant Revisions to Non-U.S. Content Disclosure and Financing Policies Proposed

October 7, 2015

The Defense Security Cooperation Agency has informally circulated draft revisions to the August 2009 Guidelines for Foreign Military Financing of Direct Commercial Contracts, which would elaborate on, and in a number of instances significantly change, its policies with respect to the disclosure and financing of U.S., non-U.S., and now "host country" content. Please contact us if you would like to obtain a copy of the draft and/or participate in commenting on the proposal by the due date of November 16, 2015.
