

CLIENT ALERT

The Top FCA Developments Of 2017

February 2, 2018

From decisions on small business fraud to interpretations of the reverse FCA, 2017 was another busy year for False Claims Act developments. In a "Feature Comment" published in *The Government Contractor*, C&M attorneys highlight top developments from 2017 on key issues such as original source requirements, DOJ's potential dismissal of meritless *qui tams*, statistical sampling, and perhaps most significantly, the continued evolution of the case law in the wake of the Supreme Court's landmark implied certification and materiality decision in *Escobar*. For more information, please contact the professional(s) listed below, or your regular Crowell & Moring contact.
