**About Crowell & Moring's Antitrust Group**

Crowell & Moring's Antitrust Group is recognized as one of the leading practices in the United States and in Europe. Clients engage the firm to help navigate their most complex competition law issues, including: international merger control; private damages actions; cartel investigations and litigation; government investigations; and counseling and compliance. The group's approximately 80 lawyers routinely represent industry-leading companies in some of the largest and most complex mergers and acquisitions in recent history – including successful DOJ clearance of AT&T's \$67 billion acquisition of DIRECTV, one of the 20 largest transactions of all time – as well as in both affirmative recovery and defense-side antitrust litigation. The firm's antitrust litigators have achieved major results, including ongoing defense of United Airlines, DuPont, CSX, leading health care distributor Owens & Minor, and Blue Cross plans, as well as the recovery of tens of millions of dollars for clients including Oracle and Motorola.

### **About Crowell & Moring's Health Care Group**

Crowell & Moring's Health Care Group provides a comprehensive range of litigation, investigation, regulatory compliance, fraud and abuse, transactions and counseling services to health care clients both in the United States and in Europe. The Brussels practice is known for providing strategic advice and for litigating the validity and infringement of patents, supplementary protection certificates, trademark issues and parallel imports. Pre-trial discovery ('saisie-contrefaçon') and preliminary injunction proceedings are also an important part of the Brussels' practice. The group's clients include payers (including the top 10 U.S. health insurers), hospitals and hospital systems, medical groups and medical group managers, pharmaceutical companies, pharmacy benefit managers, academic medical centers, government contractors, as well as established and start-up medical device and biotech companies. Clients rely on Crowell & Moring's experience and interdisciplinary approach to provide strategic solutions to their complex legal challenges. ### **About Crowell & Moring's Intellectual Property Group**

Crowell & Moring's Intellectual Property Group helps clients both across the United States and in Europe realize the full value of their intellectual property and defend it against unauthorized use. The vast majority of our lawyers have extensive courtroom and trial experience and present complex ideas in straightforward terms that appeal to judges and juries. The U.S. lawyers appear regularly before district courts across the United States, the U.S. Court of Appeals for the Federal Circuit, the U.S. International Trade Commission (ITC), the U.S. Patent and Trademark Office (USPTO), and other courts and government agencies. The Brussels lawyers represent clients at all levels of the local civil and criminal court system, up to and including the Court of Justice of the European Union. They also act before all the relevant administrative bodies. Nearly half of the group's lawyers have technical degrees. ### **About Crowell & Moring's Labor & Employment Group**

Crowell & Moring has an active Labor & Employment Group whose reputation is steadily growing. The Brussels practice handles both individual and collective employment issues, offering pragmatic advice and strong litigation services. The group handles all aspects related to individual employment agreements and work regulations. Its collective employment work includes advice on restructuring, collective bargaining agreements, trade union and social security matters. Privacy and data protection issues are also covered by the group, in particular from an HR perspective.

### **About Crowell & Moring's Litigation Group**

Crowell & Moring's Litigation Group is known for handling high-stakes, bet-the-company litigation. The group's litigators handle numerous types of disputes, including fraud, breach of contract, business tort, class action, and financial services litigation. With a powerful group of trial lawyers located across the United States and Europe, we handle litigation across a variety of industries, including health care companies, hotels and hospitality, financial services, transportation (auto, railroad, and airlines), telecommunications, and chemical manufacturing, among others.
