Byte-Sized Q&A: Why is Everyone Talking about November 30?

November 30, 2020

Crowell & Moring’s “Byte-Sized Q&A” podcast takes the complex world of government contracts cybersecurity and breaks it down into byte-sized pieces. In this inaugural episode, hosts Evan Wolff and Kate Growley discuss three new DoD contract clauses that come into effect on November 30, and implement new requirements for government contractors that handle sensitive government data.
