The firm has been ranked every year since the inception of the Best Law Firms list began a decade ago. According to the publication, a firm's rankings "reflect the highest level of respect a firm can earn among other leading lawyers and clients from the same communities and practice areas" and are a result of "a rigorous evaluation process that includes the collection of client and lawyer evaluations, peer review from leading attorneys, and review of additional information provided by law firms as part of the formal submission process."
