EXHIBIT A – INDIVIDUALS WHO FILED CHARGES OF DISCRIMINATION

EXHIBIT B – NOTICE TO EMPLOYEES

I. RECITALS

1. This civil action was instituted by Plaintiff, the Equal Employment Opportunity Commission (“EEOC”), an agency of the United States, alleging that Defendants Verizon Delaware LLC, Verizon Maryland Inc., Verizon New England Inc., Verizon New Jersey Inc., Verizon New York Inc., Verizon Pennsylvania Inc., Verizon Virginia Inc., Verizon Washington, DC Inc., Verizon Florida LLC, Verizon South Inc., Verizon California Inc., Verizon Avenue Corp. d/b/a Verizon Enhanced Communities, Verizon Services Corp., Verizon Corporate Services Corp., Verizon Connected Solutions Inc., Verizon Corporate Services Group Inc., Verizon Global Networks, Inc., Verizon Enterprise Delivery LLC, Verizon North Retain Co., Verizon Select Services Inc., Verizon TeleProducts Corp., Empire City Subway Company (Limited), GTE Southwest Inc., d/b/a Verizon Southwest, and Telesector Resources Group, Inc. d/b/a Verizon Services Group (hereinafter collectively referred to as “Verizon” or “Defendants”) engaged in unlawful employment practices by subjecting Charging Parties and a class of aggrieved employees to denial of reasonable accommodation, discipline and discharge, in violation of Title I of the Americans with Disabilities Act of 1990, as amended, 42 U.S.C. § 12111, et seq. (“ADA”). Plaintiff specifically alleged that Defendants have administered and maintained attendance plans which fail to accommodate certain individuals with disabilities, leading to disciplinary action and other adverse employment actions of said individuals up to and including termination.
2. The Parties (defined in Section III, below), desiring to settle this action by an appropriate Consent Decree, agree to the jurisdiction of this Court over the Parties and the subject

matter of this action, and agree to the power of this Court to enter this Consent Decree enforceable against Verizon.

3. As a result of settlement discussions, the Parties agree that settlement of these matters without further protracted, expensive, and unnecessary litigation is in the public interest and that entry of this Consent Decree is the most appropriate means of resolving this civil action, the Commissioner's Charge, the Charge filed by the Communications Workers of America, AFL-CIO, Charge Number 520-2008-03606 ("CWA Charge"), and the Charges of Discrimination identified in Exhibit A, attached hereto and filed under seal.

Accordingly, the Parties agree to the entry of this Consent Decree without trial or further adjudication of any issues of fact or law. By entering into this Consent Decree, Defendants deny and do not admit, either expressly or implicitly, that they have violated any federal, state, or local law, or that they have any liability in this civil action, or with respect to the Commissioner's Charge, the CWA Charge or the Charges of Discrimination listed in Exhibit A. Defendants maintain and have maintained that they provide equal employment opportunities for all employees and have complied with the Americans with Disabilities Act, and have entered into this Consent Decree to avoid the disruption, costs, delay and expense of litigation.

4. This Consent Decree is final and binding upon Plaintiff, Defendants, their agents, officers, employees, servants, successors and assigns.
5. Defendants agree that Plaintiff has named as Defendants all the necessary parties required to provide the full monetary, injunctive and other equitable relief ordered by this Decree. In the event that there is a transfer of ownership of Defendants during the Term of the Decree, Defendants shall provide prior written notice to any potential purchaser of

Defendants' business, provided that as part of said transaction Associates will become employed by the purchaser, of the existence and contents of this Consent Decree.

6. This Court, having carefully examined the terms and provisions of this Consent Decree and based on the Complaint in this action, finds that the terms of this Consent Decree are adequate, fair, and reasonable, that the Consent Decree conforms with the Federal Rules of Civil Procedure and is not in derogation of the rights or privileges of any person or any party, and that approval of this Consent Decree will further the objectives of the ADA.

It is therefore ORDERED, ADJUDGED, and DECREED as follows:

II. JURISDICTION

7. The EEOC and Defendants agree that this Court has jurisdiction over the subject matter of this litigation and the Parties for the Term of this Consent Decree, venue is proper, and all administrative prerequisites have been met.

This Decree resolves the Commissioner's Charge and all litigation that EEOC has brought or could have brought against Verizon which culminated in the Complaint filed against Verizon on July 5, 2011. 20.02. Within ninety (90) days of the Effective Date of this Decree, Defendants shall develop and post on their e-web internal guidelines for determining whether an absence is “nonchargeable.” These guidelines will be available to personnel with primary responsibility for administering Verizon’s attendance plans and Legal and Human Resource department personnel whose job duties include determining whether an absence is “nonchargeable.”

20.03. In determining whether a Current Associate’s absence should be “nonchargeable,” Verizon will evaluate on an individual case-by-case basis whether each of the following is satisfied : (a) the Current Associate has a mental or physical impairment that substantially limits one or more major life activities of such individual as defined by the ADA, and for the period on and after January 1, 2009, as amended through the ADA Amendments Act of 2008; (b) the Current Associate’s absence was caused by a disability; (c) the Current Associate or someone else on the Current Associate’s behalf requested through the Company’s designated process a period of time off from work due to a disability; (d) the Current Associate's absences have not been unreasonably unpredictable, repeated, frequent or chronic; (e) the Current Associate's

If each of the foregoing is satisfied a Current Associate's absence shall be "nonchargeable." If (a), (b), (c), (d), (e), (f), or (g) is not satisfied, Verizon may, as Verizon deems appropriate, determine that an absence is "chargeable."

The ADA training will cover all areas of prohibited ADA employment discrimination, but will include special emphasis on reasonable accommodation and the duty to engage in an interactive process. The training will specifically address the intersection between the ADA and other laws, such as the Family and Medical Leave Act and worker's compensation laws, and Verizon's procedures for providing reasonable accommodations to Current Associates relating to attendance issues. 31.04.8 **Claims Submitted by Individuals Not on the Potential Class**

Member List – If the Administrator receives Class claims from any individual who is not on the list of Potential Class Members, the Administrator will provide to Verizon and the EEOC the Claimant’s name, Social Security Number, and contact information. The Claimant’s Social Security Number and contact information (“private Claimant information”) are exempt from disclosure to the public. In addition, the EEOC shall take all possible measures to prevent loss, unauthorized access or inadvertent publication or disclosure of private Claimant information and shall notify Verizon promptly in the event of any such loss, unauthorized access or inadvertent publication or disclosure. Verizon will promptly check its Human Resource and Payroll databases and advise the Administrator and the EEOC whether the Claimant was employed during the relevant time period and discharged for attendance, and if so, the Claimant’s dates of employment and location. Based on the information provided by Verizon, the EEOC will determine whether the claim should be considered. The EEOC shall have the sole authority to determine whether the Claimant is a Class Member and shall have the authority to seek attendance records from Verizon to the extent they are reasonably available.

31.04.9 **Claimant List** – Following the deadline for submission of claims, the Settlement Administrator shall create a list of all Claimants submitted

to the EEOC for consideration for inclusion in the class and shall distribute a copy of the claimant list to Verizon.

31.04.10 **Determination of Monetary Awards** - The EEOC shall have the sole authority to determine whether a Claimant is eligible for relief and the amount to be awarded to each Class Member under this Consent Decree.

31.04.11 **Determination of Eligibility** – Within one hundred and twenty (120) days of receipt of all Claims Forms from the Settlement Administrator, the EEOC will make a Determination regarding a Claimant’s eligibility for relief and the amount to be awarded under this Consent Decree.

31.04.12 **Factors for Determination of Claimants as Class Members** – In making the EEOC’s Determination, the EEOC will identify Class Members by evaluating on an individual case-by-case basis whether the following considerations apply: (a) whether the Claimant was discharged by Verizon for an absence during the period of January 1, 2004 through the Effective Date of this Consent Decree; (b) whether at the time of the discharge the Claimant had a mental or physical impairment that substantially limited one or more major life activities of such individual as defined by the ADA or for the period on and after January 1, 2009, the ADA Amendments Act of 2008; (c) whether the absence(s) which led to the discharge was caused by a disability; (d) whether the Claimant’s absences were unreasonably unpredictable, repeated, frequent or chronic; (e) whether the Claimant or someone else on the Claimant’s behalf

requested a period of time off from work due to a disability; (f) whether Verizon was able to determine, from the request by or on behalf of the current associate or through the interactive reasonable accommodation process, a definite or reasonably certain period of time off that the Claimant would need because of a disability; and (g) whether the Claimant's time off from work as a reasonable accommodation posed a significant difficulty or expense for Verizon's business. Additional considerations to be evaluated include: (i) whether the Claimant's allegations in the Claim Form were sufficiently specific and verifiable; (ii) whether the Claimant previously received consideration from Verizon for a signed release of disability discrimination which was sufficient to make the release enforceable; (iii) the length of Claimant's tenure with Verizon; and (iv) whether the Claimant is a current Verizon employee.

31.04.13 **Additional Factors for Determination of Monetary Awards to Class Members** – The total amount of payments to Class Members and Charging Parties shall not exceed the Settlement Commitment.

31.04.14 **EEOC Class Distribution Lists** – Within thirty (30) days after the EEOC makes its Determination of the Class claims, the EEOC will provide the Settlement Administrator with an initial distribution list (“Class Distribution List”).

31.04.15 **Notice of Determination** – Within thirty (30) days of when the EEOC issues the Class Distribution List as provided in Paragraph

31.04.14 above, the Settlement Administrator will send each Claimant a Notice of Determination, advising the Claimant whether his or her claim was approved or denied, and if the claim is approved, the monetary award amount and instructions for accepting the award on terms and conditions determined by the EEOC, including a clear statement of the deadline for accepting the monetary award. If the claim is approved, the Notice of Determination will be sent with a return envelope. The Settlement Administrator will send a reminder notice to Claimants who have not accepted the award within twenty days after mailing the Notice of Determination. Class Members shall have forty five (45) days to accept the award after mailing of the Notice of Determination. If the deadline day falls on a weekend day or federal holiday, the deadline will be the next business day after such weekend day or holiday. The EEOC's determination shall be non-appealable.

31.04.16 Payment of Claims and Reversion of Remaining Amount –

Within one hundred eighty (180) days of when the EEOC issues the Class Distribution List as provided in Paragraph 31.03.14 above, the EEOC will send the Settlement Administrator the Final Distribution List, which shall be an updated version of the Class Distribution List, revised as necessary. Funds previously allocated for Class Members who did not accept the Monetary Award set forth in the Class Distribution List may be reallocated to Class Members. Within thirty (30) days of receiving the Final Distribution List, the Settlement Administrator will issue settlement

checks in accordance with the Final Distribution List and mail the settlement checks to the Class Members. After allowing 180 days for negotiation of settlement checks, any remaining undistributed settlement funds will be (after giving advance notice to Verizon) sent to a 501(c)(3) organization mutually agreed to by the parties. Such organization should provide services to assist individuals with disabilities entering or reentering the workforce.

31.04.17 **Class-Wide Mailings** – The Parties agree that class-wide mailings include those specifically described in the Consent Decree, such as: (a) the Mailing to Potential Class Members described in Paragraphs 31.04.3 and 31.04.4; (b) the Notice of Determination described in Paragraph 31.04.15; and (c) the mailing of class payments described in Paragraph 31.04.16.

33.03. Other Reports – Pursuant to Paragraph 19.01, Verizon shall deliver to the EEOC any modified Attendance Plans, and its ADA policy.

33.04. Additional Data – The EEOC shall have the right to request additional data from Verizon, so long as the information sought is narrowly-tailored, necessary and consistent with the monitoring of the Consent Decree and is not unduly burdensome for Verizon to produce. Verizon shall comply with a request for additional data within sixty (60) days of the request. Any disputes regarding the propriety of any request for additional data shall be resolved by the Court as provided in Section IX (“Enforcement of Consent Decree”).

EXHIBIT B - NOTICE TO EMPLOYEES

This Notice is being posted as part of an agreed-upon settlement and mutually developed Consent Decree between Verizon (“Verizon”) and the Equal Employment Opportunity Commission (EEOC).

Unlawful Discrimination: The Americans with Disabilities Act, as amended, (“the ADA”) makes it unlawful for an employer to discriminate against any qualified individual with a disability because of the disability of such individual in regard to job application procedures, the hiring, advancement, or discharge of employees, employee compensation, job training, and other terms, conditions, and privileges of employment. Under the ADA, the term “discriminate” includes not making reasonable accommodations to the known physical or mental limitations of an otherwise qualified individual with a disability. The term “reasonable accommodation” may include: making existing facilities used by employees readily accessible to and usable by individuals with disabilities, job restructuring, leave, part-time or modified work schedules, reassignment to a vacant position, acquisition or modification of equipment or devices, appropriate adjustment or modifications of examinations, training materials or policies, the provision of qualified readers or interpreters, and other similar accommodations for individuals with disabilities. Under the ADA, it is also unlawful to retaliate against any individual who reports or complains about what he or she in good faith believes to be unlawful disability-based discrimination.

Reasonable Accommodation: Employees seeking reasonable accommodations under the ADA may contact Verizon’s Workforce Accommodations Team for advice or guidance at 1-877-635-1231.

Reporting Improper Conduct: If you are aware of any events, conduct, or information, which you believe may indicate some improper discrimination, it is very important that you report the information so the necessary steps may be taken to investigate, identify, and promptly remedy any problems. You may report such improper conduct to any of the following:

Reporting to Verizon: Employees or job applicants should feel free to report instances of discriminatory treatment to Human Resources 1-877-635-1231 at any time.
