The ABA Section of Science & Technology Law's Homeland Security Committee, and the Section of Public Contract Law's Cybersecurity, Privacy and Data Protection and Legislative Coordinating Committees, present:

Cyber on the Hill: Congressional Cybersecurity Oversight, Legislation & Initiatives for 2010

This program will focus on the latest developments on cybersecurity from a Congressional perspective. With the multiple cybersecurity hearings, reports, and bills generated by Congress last year, 2010 promises to be a critical year for shaping and blending the various legislative initiatives. The panel which includes key Senate Congressional staff members will discuss the status of present cybersecurity efforts and how agencies, industry and the private bar can help. This program will be offered live in-person or via teleconference.
