

IN THE CIRCUIT COURT OF THE 11TH
JUDICIAL CIRCUIT IN AND FOR
MIAMI-DADE COUNTY, FLORIDA

CASE NO.

SERGIO'S RESTAURANT, INC.,
a Florida corporation,

Plaintiff,

v.

ARCH SPECIALTY INSURANCE COMPANY,
a Missouri corporation,

Defendant.

COMPLAINT

Plaintiff Sergio's Restaurant, Inc. ("Sergio's") sues Defendant Arch Specialty Insurance Company ("Arch") and states:

JURISDICTION, PARTIES AND VENUE

1. This is a civil action for breach of an insurance contract, costs, and attorneys' fees in excess of Thirty Thousand Dollars (\$30,000.00).

2. Plaintiff Sergio's is a Florida corporation and the operator of restaurants located throughout Miami-Dade County, Florida.

3. Defendant is an Illinois corporation authorized to conduct business in Florida.

4. Venue lies in Miami-Dade County, Florida pursuant to Fla. Stat. § 47.051 because Arch has agents in Miami-Dade County, this is where the cause of action accrued, this is where the insurance contract was issued, and where the named insured is located. *See also* Fla. Stat. § 47.011; Fla. Stat. § 47.041.

5. This Court has personal jurisdiction over Defendant pursuant to Fla. Stat. § 48.193(1)(a) because Plaintiff's claim arises out of Defendant conducting, engaging in and

carrying on business in Florida; Defendant breaching an insurance contract in Florida by failing to perform contractual obligations that the contract requires to be performed in Florida; and Defendant contracting to insure Plaintiff's insureds' premises and other properties, which are located in Florida. Furthermore, the Plaintiff is a Florida corporation headquartered in Miami, Florida.

6. All conditions precedent to this action have occurred, been performed or have been waived.

FACTS

A. Background

7. People and businesses buy insurance to help themselves when disaster occurs.

8. People and businesses know that they are at their most vulnerable and desperate condition in the wake of disasters like the current pandemic. Insurance companies know it too.

9. Unlike most other types of commercial contracts, the insurance contract contains mutual obligations.

10. The insurance company, including Defendant herein, promises that they will provide money when most needed after a covered loss in the event of a disaster.

11. The insurance company, including Defendant herein, promises, warrants and sells "peace of mind" that in the unlikely event of a catastrophe or disaster, such as a pandemic, the policy holder will be fully and promptly indemnified.

12. For years and even decades, the vast majority of people and businesses that carry business interruption insurance faithfully paid their premiums. Now that there is a catastrophic business interruption caused by a national health pandemic and government-ordered business shutdowns, their claims are denied. Like Plaintiff, many people and businesses are relying on

their business interruption insurance to cover what it is supposed to cover – loss of income and ongoing expenses – to get through this crisis and rebuild their businesses.

13. Plaintiff, like any business, is about commerce that involves hiring employees, contracting with suppliers and selling to customers. The business counts on current income and future income from operations to remain operational, and insurance coverage when operations are suspended due to disasters.

14. Policyholders are dependent on performance by the insurance company when they are most vulnerable. Dependence here arises from the policyholders' financial desperation combined with a state of mind focused on managing the fallout from the disaster.

15. When the insurance company fails to fulfill its obligations timely and completely, the policyholder suffers contractual damages and harm to the existence of its business.

16. In order to protect its business and its income from losses, Plaintiff obtained an insurance policy (the "Policy") from Arch.

17. Plaintiff purchased this commercial property insurance policy, with policy number ESP1001576, effective December 25, 2019. *See Exhibit A.* The Policy protects against, among other risks, business losses and extra expenses that result from an involuntary interruption of business operations.

18. The Policy period runs until December 25, 2020, and insures Plaintiff's commercial properties, the restaurants at which Plaintiff conducts its business operations. The Policy is in full effect as Plaintiff has faithfully paid the premiums due which Defendant accepted.

19. The Policy is a contract whereby Plaintiff agreed to pay monthly premiums in exchange for Defendant's promises of coverage for business income losses, including coverage for losses due to the involuntary suspension of business operations.

20. Beginning in March 2020, Plaintiff was forced to suspend full business operations at the covered restaurants as a result of the national emergency proclaimed to deal with the national COVID-19 pandemic and resultant civil authority orders, which prohibited access to the restaurants. This ongoing suspension has caused Plaintiff to suffer significant business income losses and incur significant expenses.

21. Specifically, Defendant is in breach by refusing coverage for the suspension of business that resulted from the national COVID-19 pandemic disaster. Defendant is obligated under the Policy to cover and pay these losses and expenses but has refused to do so.

B. Relevant Policy Provisions

22. The Policy is an all-risk commercial property insurance policy that provides coverage for physical loss of the insured property from all risks unless expressly excluded by language in the body of the Policy or through a separate exclusion endorsement. There is no exclusion in the Policy for business interruption caused by a declaration of a national emergency and urgent lock down of non-essential businesses and at-home quarantine of the vast majority of the national population due to a global pandemic.

23. The Policy defines Plaintiff's covered property as "Business Income" for which it will pay for the loss of caused by or resulting from any "Covered Cause of Loss."

24. The Business Income coverage provides that Defendant will pay for the actual loss of business income Plaintiff sustains due to the necessary suspension of its operations during a period of restoration which ends when business operations return to normal. *Id.* at 46.

25. The Policy defines operations as Plaintiff's "business activities occurring at the described premises." *Id.* at 58.

26. The Policy defines business income as "Net Income (Net Profit or Loss before income taxes) that would have been earned or incurred if no physical loss had occurred..." *Id.* at 46.

27. The Policy also provides for coverage for "Extended Business Income" where the necessary suspension of operations produces a business income loss up to the time normal business operations resume. *Id.* at 48.

28. The Policy includes coverage for Extra Expense, providing Defendant will pay the necessary expenses Plaintiff incurs that it would not have incurred if there had been no loss of the property. *Id.* at 47.

29. The Policy includes coverage for actions of Civil Authority, providing Defendant will pay for the actual loss of Business Income and incurred Extra Expenses at the premises caused by the action of civil authority that prohibits access to the premises in response to dangerous physical conditions. *Id.* at 48-49.

C. Plaintiff Has Suffered and Continues to Suffer a Loss Under the Policy

30. Following the proclamation of a national emergency, Miami-Dade Mayor Carlos Jimenez issued Emergency Orders 3-20 and 7-20 severely restricting or closing non-essential businesses in Miami-Dade County. On March 9, 2020 Governor Ron DeSantis in response to President Trump's proclamation of a national state of emergency issued Executive Order 20-52 citing his authority to declare a state of emergency under Chapter 267 (1)(a), Florida Statutes which is intended to provide emergency measures to protect residents from disasters that threaten life, health and safety and damage to property. Governor DeSantis issued additional Executive

Orders relating to the COVID-19 pandemic including Executive Order 20-70 on March 20, 2020 closing restaurants in certain other South Florida counties (other than for deliveries and takeout), bars, taverns, pubs, night clubs, banquet halls, cocktail lounges, cafeterias, movie theaters, concert houses, auditoriums, playhouses, bowling alleys, arcades, gymnasiums, and fitness studios.

31. Then, on March 30, 2020 Governor DeSantis issued Executive Order 20-89, explicitly limiting access to businesses in South Florida:

I hereby order Miami-Dade County, Broward County, Palm Beach County and Monroe County to restrict public access to businesses and facilities deemed non-essential pursuant to the guidelines established by Miami-Dade County pursuant to its March 19, 2020 Emergency Order 07-20, and as modified by subsequent amendments and orders prior to the date of this order.

32. Other similar state and local civil authority orders have issued that close or restrict access to all non-essential business operations or prohibit public access to the property of non-essential businesses where the individuals gather in close proximity to each other in order to protect the public from the dangerous condition of contracting the respiratory illness named COVID-19.

33. The civil authority orders expressly state that the closing of non-essential businesses, reductions in permitted operating hours, and social distancing restrictions placed on the public are necessary emergency measures to protect the health and safety of all residents in Florida due to the spread of COVID-19 through human-to-human and surface-to-human contact with the coronavirus.

34. The COVID-19 pandemic is tantamount to a “natural disaster.” Like other specific disasters, such as hurricanes or earthquakes, it involves substantial damage to property, hardship, suffering, and loss of life.

35. Unsurprisingly, already, at least one State Supreme Court has recognized, in *Friends of DeVito v. Wolf*, that the damage caused by the COVID-19 pandemic is indistinguishable from those caused by earthquakes, fires and the other casualty events:

We agree with Respondents that the COVID-19 pandemic qualifies as a “natural disaster” under the Emergency Code...

2020 Pa. LEXIS 1987, at *31 (Pa. April 13, 2020).

36. Losses from disasters are what property-based insurance coverage has always been intended to cover.

37. The nature of Plaintiff’s business are restaurants open to the public and a place where individuals socialize and gather in close proximity. As a direct result of the existence of the national COVID-19 emergency, and orders to close non-essential businesses in South Florida and throughout the country, Plaintiff suffered a physical loss of its business income and incurred extra expenses. The loss continues.

38. Further, the civil authority actions restricting the public from accessing Plaintiff’s premises and the area surrounding it resulted from dangerous physical conditions which caused a suspension of Plaintiff’s full business operations and loss of business income. There are over 16,000 reported cases of COVID-19 that have been reported in Miami-Dade County. This shows that the population is vulnerable to contracting COVID-19 throughout the county, and that dangerous conditions permeate all property, including the areas surrounding Plaintiff’s premises.

39. Specifically, the civil authority orders have denied access to the premises, prevented customers from physically occupying the premises, caused the premises to be physically uninhabitable by customers, caused its function to be nearly eliminated or destroyed, and caused the suspension of the majority of business operations.

D. Plaintiff Has Suffered and Continues to Suffer a Loss Under the Policy, But Was Denied Coverage

40. The business income losses Plaintiff has and continues to suffer, and the extra expenses Plaintiff has incurred are covered under the Policy, yet on May 19, 2020 Defendant denied coverage despite Plaintiff's timely notice of its claim.

41. Due to the proclaimed national disaster, state and local state of emergency declarations, and related civil authority orders, Plaintiff has suffered business income losses and incurred extra expenses.

42. These losses and expenses have continued through the date of filing of this action as the restaurant operations remain suspended or severely reduced.

43. Plaintiff's lost business income and extra expenses due to a national disaster have not been excluded from coverage. Plaintiff is entitled to be indemnified by Defendant for its business income losses and expenses incurred.

44. Thus, Defendant is in breach of the Policy for denying coverage.

COUNT I

BREACH OF CONTRACT

45. Plaintiff incorporates by reference paragraphs 1 – 44 as though fully set forth herein.

46. Plaintiff has a commercial property insurance policy issued by Defendant.

47. Plaintiff has performed all its obligations as specified by the Policy including the payment of all premiums due.

48. Plaintiff's Policy provides coverage for business income loss, extended business income loss, and extra expense for unexpected and unexcluded covered causes of loss.

49. As stated above, Plaintiff had to involuntarily close its insured premises to the public and cease or substantially reduce its operations due to the national COVID-19 disaster and resulting measures put in place by civil authority orders and thus has incurred substantial business income losses and extra expenses.

50. Defendant denied and refused to provide coverage for Plaintiff's business income losses and extra expenses.

51. As a result of the Defendant's breach of the Policy, Plaintiff has suffered actual damages.

WHEREFORE, Plaintiff seeks compensatory damages resulting from Defendant's breach of contract, an appraisal to determine the amount of Plaintiff's damages, and further seeks all relief deemed appropriate by this Court, including attorneys' fees and costs.

PRAYER FOR RELIEF

WHEREFORE, Plaintiff demands judgment against the Defendant as follows:

(1) Awarding Plaintiff compensatory damages from the Defendant's breach of the insurance contract in an amount to be determined at trial or appraisal ordered by this Court, together with appropriate prejudgment interest at the maximum rate allowable by law;

(2) Awarding Plaintiff costs and disbursements and reasonable allowances for the fees of Plaintiff's experts, and reimbursement of expenses;

(3) Awarding Plaintiff attorneys' fees pursuant to Fla. Stat. § 627.428; and

(4) Awarding such other and further relief the Court deems just, proper, and equitable.

DEMAND FOR A JURY TRIAL

Plaintiff requests a jury trial for any and all Counts for which a trial by jury is permitted by law.

Respectfully submitted this 1st day of June, 2020.

OCCURRENCE LIMIT OF LIABILITY ENDORSEMENT

This endorsement modifies insurance provided under this policy.

It is agreed that the following special terms and conditions apply to this policy:

1. The DEFINITIONS Section of the policy and any forms or endorsements attached thereto are amended by the addition of the following Definition:

“Occurrence” shall mean any one loss, disaster, casualty or series of losses, disasters or casualties, arising out of one event. The duration and extent of any one loss, disaster, casualty or series of losses, disasters or casualties will be limited to all losses or series of losses occurring during any period of 168 consecutive hours arising out of, and directly occasioned by, the same event.

When the term applies to loss or series of losses from the perils of tornado, cyclone, hurricane, windstorm, hail, flood, earthquake, volcanic eruption, riot, riot attending a strike, civil commotion, and vandalism and malicious mischief, one event shall be construed to be all losses arising during a continuous period of 72 hours. When filing proof of loss, you may elect the moment at which the 72 hour period shall be deemed to have commenced, which shall not be earlier than when the first loss occurs to any Covered Property.

2. The premium for this policy is based upon the Statement of Values on file with us, or attached to this policy. In the event of loss hereunder, our liability, subject to the terms of paragraph 3. below, shall be limited to the least of the following:
 - a. The actual adjusted amount of loss, less applicable deductible(s).
 - b. 100% of the individually stated value for each scheduled item of interest insured, as shown on the latest Statement of Values on file with us, or attached to this policy, after applying the deductible(s).
 - c. The Limit of Liability or Amount of Insurance shown on the Declarations Page or endorsed onto this policy.
3. The Limit of Liability or Amount of Insurance shown on the Declarations Page of this policy, or endorsed onto this policy, is the total limit of our liability applicable to each “occurrence”. Notwithstanding any other terms and conditions of this policy, in no event shall our liability exceed this limit or amount, irrespective of the number of locations involved.

All other terms and conditions of this Policy remain unchanged.

EXCLUSION AND LIMITED ADDITIONAL COVERAGE FOR FUNGUS

This endorsement modifies insurance provided under this policy.

- A.** The following item is added to **EXCLUSIONS**, section **B**. With respect to the loss or damage addressed therein, this exclusion supersedes any other exclusion which addresses fungus.

EXCLUSION – “Fungus”, Wet Rot, Dry Rot And Bacteria

We will not pay for loss or damage caused directly or indirectly by the presence, growth, proliferation, spread or any activity of “fungus”, wet or dry rot or bacteria. Such loss or damage is excluded regardless of any other cause or event that contributes concurrently or in any sequence to the loss.

But if “fungus”, wet or dry rot or bacteria results in:

1. A “specified cause of loss”, we will pay for the loss or damage caused by that “specified cause of loss”, if the Causes of Loss – Special Form applies; or
2. A “covered cause of loss”, we will pay for the loss or damage caused by that “covered cause of loss”, if the Causes of Loss – Basic Form and Causes of Loss – Broad Form applies.

This exclusion does not apply:

1. When “fungus”, wet or dry rot or bacteria results from fire or lightning; or
2. To the extent that coverage is provided in the Additional Coverage – Limited Coverage For “Fungus”, Wet Rot, Dry Rot And Bacteria with respect to loss or damage by a cause of loss other than fire or lightning.

- B.** The following exclusion replaces any exclusion pertaining to continuous or repeated seepage or leakage of water; and supersedes any other exclusion, preclusion of coverage or exception to an exclusion pertaining to leakage or discharge of water or steam from a system or appliance.

We will not pay for loss or damage cause by or resulting from continuous or repeated seepage or leakage of water, or the presence or condensation of humidity, moisture or vapor, that occurs over a period of 14 days or more.

- C.** The following item is added to **ADDITIONAL COVERAGES**:

ADDITIONAL COVERAGE – Limited Coverage For “Fungus”, Wet Rot, Dry Rot And Bacteria

1. This limited coverage applies only when the “fungus”, wet or dry rot or bacteria are the result of one or more of the following causes that occur during the policy period and only if all reasonable means were used to save and preserve the property from further damage at the time of and after that “occurrence”, and only if any loss resulting from the following is reported to us within 60 days of the “occurrence”:
 - a. A “specified cause of loss” other than fire or lightning; or
 - b. Flood, if the Flood Coverage Endorsement applies to the affected premises.

This Additional Coverage does not apply to lawns, trees, shrubs or plants which are a part of a vegetated roof.

2. Under conditions described in item **A.1.** above, we will pay for loss or damage by “fungus”, wet or dry rot or bacteria. As used in this Limited Coverage, the term loss or damage means:
 - a. Direct physical loss or damage to Covered Property caused by “fungus”, wet or dry rot or bacteria, including the cost of removal of the “fungus”, wet or dry rot or bacteria;
 - b. The cost to tear out and replace any part of the building or other property as needed to gain access to the “fungus”, wet or dry rot or bacteria; and
 - c. The cost of testing performed after removal, repair, replacement or restoration of the damaged property is completed, provided there is a reason to believe that “fungus”, wet or dry rot or bacteria are present.
3. The coverage provided under this Limited Coverage is limited to \$15,000. Regardless of the number of claims, this limit is the most we will pay for the total of all loss or damage arising out of all “occurrences” which take place in a 12-month period (starting with the beginning of the present annual policy period). With respect to a particular “occurrence” of loss which results in “fungus”, wet or dry rot or bacteria, we will not pay more than a total of \$15,000 even if the “fungus”, wet or dry rot or bacteria continue to be present or active, or recur, in a later policy period.
4. The coverage provided under this Limited Coverage is a sub-limit and does not increase the applicable Limit of Insurance on any Covered Property. If a particular “occurrence” results in loss or damage by “fungus”, wet or dry rot or bacteria, and other loss or damage, we will not pay more, for the total of all loss or damage, than the applicable Limit of Insurance on the affected Covered Property.

If there is covered loss or damage to Covered Property, not caused by “fungus”, wet or dry rot or bacteria, loss payment will not be limited by the terms of this Limited Coverage, except to the extent that “fungus”, wet or dry rot or bacteria causes an increase in the loss. Any such increase in the loss will be subject to the terms of this Limited Coverage.

5. The terms of this Limited Coverage do not increase or reduce the coverage provided under paragraph **F.2.** (Water Damage, Other Liquids, Powder Or Molten Material Damage) of this Causes of Loss form or under the Additional Coverage – Collapse.
6. The following **6.a.** or **6.b.** applies only if Business Income and/or Extra Expense coverage applies to the described premises and only if the “suspension” of “operations” satisfies all terms and conditions of the applicable Business Income and/or Extra Expense Coverage form.
 - a. If the loss which resulted in “fungus” wet or dry rot or bacteria does not in itself necessitate a “suspension” of “operations”, but such “suspension” is necessary due to loss or damage to property caused by “fungus”, wet or dry rot or bacteria, then our payment under Business Income and/or Extra Expense is limited to the amount of loss and/or expense sustained in a period of not more than 30 days. The days need not be consecutive.
 - b. If a covered “suspension” of “operations” was caused by loss or damage other than “fungus”, wet or dry rot or bacteria but remediation of “fungus”, wet or dry rot or bacteria prolongs the “period of restoration”, we will pay for loss and/or expense sustained during the delay (regardless of when such a delay occurs during the “period of restoration”), but such coverage is limited to 30 days. The days need not be consecutive.

D. The following item is added to **DEFINITIONS**:

“Fungus” means any type or form of fungus, including mold or mildew, and any mycotoxins, spores, scents or by-products produced or released by fungi.

E. Item **d.2.** under section **2.** of the **EXCLUSIONS** is amended to read:

“Rust, corrosion, decay, deterioration, hidden or latent defect or quality in property that causes it to damage or destroy itself”.

All other terms and conditions of this Policy remain unchanged.

ELECTRONIC DATA LOSS OR DAMAGE - EXCLUSION

This endorsement modifies insurance provided under this policy.

A. It is agreed that the following definitions apply:

“Electronic Data” means facts, concepts and information converted to a form useable for communications, interpretation or processing by electronic and electromechanical data processing or electronically controlled equipment and includes programs, software and other coded instructions for the processing and manipulation of data or the direction and manipulation of such equipment.

“Computer Virus” means a set of corrupting, harmful or otherwise unauthorized instructions or code including a set of maliciously introduced unauthorized instructions or code, programmatic or otherwise, that propagate themselves through a computer system or network of whatsoever nature”. “Computer Virus” includes but is not limited to ‘trojan horses’, ‘worms’ and ‘time or logic bombs’.

B. Except as provided in the Additional Coverage – Electronic Data, if any, the following exclusion applies:

Damage to Electronic Data

We will not pay for loss, destruction, distortion, erasure, corruption, deletion, manipulation or alteration of or damage to “Electronic Data” including loss of use, reduction in functionality, or any cost or expense to replace or restore such “Electronic Data” from any cause whatsoever (including, but not limited to, “Computer Virus” or a willful or malicious act).

This exclusion applies regardless of any other cause or event contributing concurrently or in any other sequence to the loss.

However, this exclusion does not apply to loss, destruction, distortion, erasure, corruption, deletion, manipulation or alteration of or damage to “Electronic Data” arising from the following specified causes of loss, if these causes of loss are not otherwise excluded: fire, lightning, explosion, windstorm or hail, strike, riot or civil commotion, leakage from fire extinguishing equipment, impact or collapse. However, this exception does not apply to fire or explosion resulting from risks excluded under any terrorism exclusion.

C. Except as provided in the Additional Coverage – Interruption Of Computer Operations, if any, the following is added to the Business Income and/or Extra Expense Coverage, as applicable:

Additional Limitation – Interruption Of Computer Operations

We will not pay for:

1. Business Income loss incurred when a “suspension” of “operations” is caused by loss, destruction, distortion, erasure, corruption, deletion, manipulation or alteration of or damage to “Electronic Data” from any cause whatsoever (including, but not limited to, “Computer Virus” or a willful or malicious act).
2. Extra Expense loss incurred when action is taken to avoid or minimize a “suspension” of “operations” caused by loss, destruction, distortion, erasure, corruption, deletion, manipulation

or alteration of or damage to "Electronic Data" from any cause whatsoever (including, but not limited to, "Computer Virus" or a willful or malicious act).

This limitation applies regardless of any other cause or event contributing concurrently or in any other sequence to the loss.

However, this limitation will not apply to loss, destruction, distortion, erasure, corruption, deletion, manipulation or alteration of or damage to "Electronic Data" arising from the following specified causes of loss, if these causes of loss are not otherwise excluded: fire, lightning, explosion, windstorm or hail, strike, riot or civil commotion, leakage from fire extinguishing equipment, impact or collapse. However, this exception does not apply to fire or explosion resulting from risks excluded under any terrorism exclusion.

All other terms and conditions of this policy remain unchanged.

ASBESTOS MATERIAL REMOVAL LIMITATION

This endorsement modifies insurance provided under this policy.

It is agreed that:

ASBESTOS MATERIAL REMOVAL LIMITATION

This policy excludes any loss, damage or expense to remove or replace asbestos materials unless such materials are themselves damaged by a Covered Cause of Loss.

Notwithstanding that competent Government Authority may declare all or parts of the insured premises unfit for occupancy without removal or modifications to asbestos materials, our liability is limited to the proportion represented by the cost to repair the damaged part of the premises, not the entire property.

Similarly, if the policy provides any coverage for business income, extra expense, loss of rents or rental value or other loss of use or occupancy, such coverage shall be limited to the time necessary to repair or replace only the damaged portion(s) of the premises.

Nothing in this Endorsement shall override any radioactive contamination exclusion clause in the Policy to which this Endorsement is attached.

EXCLUSION OF LOSS DUE TO VIRUS OR BACTERIA

1. The exclusion set forth in Paragraph **2.** applies to all coverages under all forms and endorsements that comprise this policy, including but not limited to forms or endorsements that cover property damage to buildings or personal property and forms or endorsements that cover business income, extra expense or action of civil authority.
2. We will not pay for loss or damage caused by or resulting from any virus, bacterium or other micro-organism that induces or is capable of inducing physical distress, illness or disease. However, this exclusion does not apply to loss or damage caused by or resulting from "fungus", wet rot or dry rot. Such loss or damage is addressed in a separate exclusion in this policy.
3. With respect to any loss or damage subject to the exclusion in Paragraph **2.**, such exclusion supersedes any exclusion relating to "pollutants".
4. The following provisions in this policy are hereby amended to remove reference to bacteria:
 - (a) EXCLUSION – "Fungus", Wet Rot, Dry Rot And Bacteria;
 - (b) ADDITIONAL COVERAGE – Limited Coverage For "Fungus", Wet Rot, Dry Rot And Bacteria, Including any endorsement increasing the scope or amount of coverage.

The terms of the exclusion in Paragraph **2.**, or the inapplicability of this exclusion to a particular loss, do not serve to create coverage for any loss that would otherwise be excluded under this policy.

BUILDING AND PERSONAL PROPERTY COVERAGE FORM

Various provisions in this policy restrict coverage. Read the entire policy carefully to determine rights, duties and what is and is not covered.

Throughout this policy the words “you” and “your” refer to the Named Insured shown in the Declarations. The words “we”, “us” and “our” refer to the Company providing this insurance.

Other words and phrases that appear in quotation marks have special meaning. Refer to Section **H. Definitions**.

A. Coverage

We will pay for direct physical loss of or damage to Covered Property at the premises described in the Declarations caused by or resulting from any Covered Cause of Loss.

1. Covered Property

Covered Property, as used in this Coverage Part, means the type of property described in this Section, **A.1.**, and limited in **A.2.**, Property Not Covered, if a Limit of Insurance is shown in the Declarations for that type of property.

a. Building, meaning the building or structure described in the Declarations, including:

- (1)** Completed additions;
- (2)** Fixtures, including outdoor fixtures;
- (3)** Permanently installed:
 - (a)** Machinery and
 - (b)** Equipment;
- (4)** Personal property owned by you that is used to maintain or service the building or structure or its premises, including:
 - (a)** Fire extinguishing equipment;
 - (b)** Outdoor furniture;
 - (c)** Floor coverings; and
 - (d)** Appliances used for refrigerating, ventilating, cooking, dishwashing or laundering;
- (5)** If not covered by other insurance:
 - (a)** Additions under construction, alterations and repairs to the building or structure;

- f. The cost of excavations, grading, backfilling or filling;
- g. Foundations of buildings, structures, machinery or boilers if their foundations are below:
 - (1) The lowest basement floor; or
 - (2) The surface of the ground, if there is no basement;
- h. Land (including land on which the property is located), water, growing crops or lawns;
- i. Personal property while airborne or waterborne;
- j. Bulkheads, pilings, piers, wharves or docks;
- k. Property that is covered under another coverage form of this or any other policy in which it is more specifically described, except for the excess of the amount due (whether you can collect on it or not) from that other insurance;
- l. Retaining walls that are not part of a building;
- m. Underground pipes, flues or drains;
- n. Electronic data, except as provided under Additional Coverages – Electronic Data. Electronic data means facts, concepts and information converted to a form useable for communications, interpretation or processing by electronic or electromechanical data processing or electronically controlled equipment and includes programs, software, and other coded instructions for the processing and manipulation of data or the direction and manipulation of such equipment. This Paragraph n., does not apply to your “stock” of prepackaged software, or to electronic data which is integrated in and operates or controls the building’s elevator, lighting, heating, ventilation, air conditioning or security system.
- o. The cost to replace or restore the information on valuable papers and records, including those which exist as electronic data. Valuable papers and records include but are not limited to proprietary information, books of account, deeds, manuscripts, abstracts, drawings and card index systems. Refer to the Coverage Extension for Valuable Papers And Records (Other Than Electronic Data) for limited coverage for valuable papers and records other than those which exist as electronic data.
- p. Vehicles or self-propelled machines (including aircraft or watercraft) that:
 - (1) Are licensed for use on public roads; or
 - (2) Are operated principally away from the described premises.

This paragraph does not apply to:

- (a) Vehicles or self-propelled machines or autos you manufacture, process or warehouse;
- (b) Vehicles or self-propelled machines, other than autos, you hold for sale;
- (c) Rowboats or canoes out of water at the described premises; or

Therefore, if **(4)(a)** and/or **(4)(b)** apply, our total payment for direct physical loss or damage and debris removal expense may reach but will never exceed the Limit of Insurance on the Covered Property that has sustained loss or damage, plus \$10,000.

(5) Examples

The following examples assume that there is no coinsurance penalty.

Example #1

Limit of Insurance	\$90,000
Amount of Deductible	\$500
Amount of Loss	\$50,000
Amount of Loss Payable	\$49,500
	(\$50,000 - \$500)
Debris Removal Expense	\$10,000
Debris Removal Expense Payable	\$10,000
(\$10,000 is 20% of \$50,000)	

The debris removal expense is less than 25% of the sum of the loss payable plus the deductible. The sum of the loss payable and the debris removal expense (\$49,500 + \$10,000 = \$59,500) is less than the Limit of Insurance. Therefore the full amount of debris removal expense is payable in accordance with the terms of Paragraph **(3)**.

Example #2

Limit of Insurance	\$90,000
Amount of Deductible	\$500
Amount of Loss	\$80,000
Amount of Loss Payable	\$79,500
	(\$80,000 - \$500)
Debris Removal Expense	\$30,000
Debris Removal Expense Payable	
	Basic Amount
	\$10,500
	Additional Amount
	\$10,000

The basic amount payable for debris removal expense under the terms of Paragraph **(3)** is calculated as follows: \$80,000 (\$79,500 + \$500) x .25 = \$20,000; capped at \$10,500. The cap applies because the sum of the loss payable (\$79,500) and the basic amount payable for debris removal expense (\$10,500) cannot exceed the Limit of Insurance (\$90,000).

The additional amount payable for debris removal expense is provided in accordance with the terms of Paragraph (4), because the debris removal expense (\$30,000) exceeds 25% of the loss payable plus the deductible (\$30,000 is 37.5% of \$80,000), and because the sum of the loss payable and debris removal expense (\$79,500 + \$30,000 = \$109,500) would exceed the Limit of Insurance (\$90,000). The additional amount of covered debris removal expense is \$10,000, the maximum payable under Paragraph (4). Thus the total payable for debris removal expense in this example is \$20,500; \$9,500 of the debris removal expense is not covered.

b. Preservation Of Property

If it is necessary to move Covered Property from the described premises to preserve it from loss or damage by a Covered Cause of Loss, we will pay for any direct physical loss or damage to that property:

- (1) While it is being moved or while temporarily stored at another location; and
- (2) Only if the loss or damage occurs within 30 days after the property is first moved.

c. Fire Department Service Charge

When the fire department is called to save or protect Covered Property from a Covered Cause of Loss, we will pay up to \$1,000. Such limit is the most we will pay regardless of the number of responding fire departments or fire units, and regardless of the number or type of services performed.

This Additional Coverage applies to your liability for fire department service charges:

- (1) Assumed by contract or agreement prior to loss; or
- (2) Required by local ordinance.

No Deductible applies to this Additional Coverage.

d. Pollutant Clean Up And Removal

We will pay your expense to extract "pollutants" from land or water at the described premises if the discharge, dispersal, seepage, migration, release or escape of the "pollutants" is caused by or results from a Covered Cause of Loss that occurs during the policy period. The expenses will be paid only if they are reported to us in writing within 180 days of the date on which the Covered Cause of Loss occurs.

This Additional Coverage does not apply to costs to test for, monitor or assess the existence, concentration or effects of "pollutants". But we will pay for testing which is performed in the course of extracting the "pollutants" from the land or water.

The most we will pay under this Additional Coverage for each described premises is \$10,000 for the sum of all covered expenses arising out of Covered Causes of Loss occurring during each separate 12 month period of this policy.

e. Increased Cost Of Construction

- (1) This Additional Coverage applies only to buildings to which the Replacement Cost Optional Coverage applies.
- (2) In the event of damage by a Covered Cause of Loss to a building that is Covered Property, we will pay the increased costs incurred to comply with the minimum enforcement standards of an ordinance or law in the course of repair, rebuilding or replacement of damaged parts of that property, subject to the limitations stated in e.(3) through e.(9) of this Additional Coverage.
- (3) The ordinance or law referred to in e.(2) of this Additional Coverage is an ordinance or law that regulates the construction or repair of buildings or establishes zoning or land use requirements at the described premises, and is in force at the time of loss.
- (4) Under this Additional Coverage, we will not pay any costs due to an ordinance or law that:

 - (a) You were required to comply with before the loss, even when the building was undamaged; and
 - (b) You failed to comply with.
- (5) Under this Additional Coverage, we will not pay for:

 - (a) The enforcement of or compliance with any ordinance or law which requires demolition, repair, replacement, reconstruction, remodeling or remediation of property due to contamination by “pollutants” or due to the presence, growth, proliferation, spread or any activity of “fungus”, wet or dry rot or bacteria; or
 - (b) Any costs associated with the enforcement of or compliance with an ordinance or law which requires any insured or others to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of “pollutants”, “fungus”, wet or dry rot or bacteria.
- (6) The most we will pay under this Additional Coverage, for each described building insured under this Coverage Form, is \$10,000 or 5% of the Limit of Insurance applicable to that building, whichever is less. If a damaged building is covered under a blanket Limit of Insurance which applies to more than one building or item of property, then the most we will pay under this Additional Coverage, for that damaged building, is the lesser of: \$10,000 or 5% times the value of the damaged building as of the time of loss times the applicable coinsurance percentage.
- (7) With respect to this Additional Coverage:

 - (a) We will not pay for the Increased Cost of Construction:

 - (i) Until the property is actually repaired or replaced, at the same or another premises; and
 - (ii) Unless the repair or replacement is made as soon as reasonably possible after the loss or damage, not to exceed two years. We may extend this period in writing during the two years.

- (b) If the building is repaired or replaced at the same premises, or if you elect to rebuild at another premises, the most we will pay for the Increased Cost of Construction, subject to the provisions of **e.(6)** of this Additional Coverage, is the increased cost of construction at the same premises.
- (c) If the ordinance or law requires relocation to another premises, the most we will pay for the Increased Cost of Construction, subject to the provisions of **e.(6)** of this Additional Coverage, is the increased cost of construction at the new premises.
- (8) This Additional Coverage is not subject to the terms of the Ordinance Or Law Exclusion, to the extent that such Exclusion would conflict with the provisions of this Additional Coverage.
- (9) The costs addressed in the Loss Payment and Valuation Conditions, and the Replacement Cost Optional Coverage, in this Coverage Form, do not include the increased cost attributable to enforcement of an ordinance or law. The amount payable under this Additional Coverage, as stated in **e.(6)** of this Additional Coverage, is not subject to such limitation.

f. Electronic Data

- (1) Under this Additional Coverage, electronic data has the meaning described under Property Not Covered – Electronic Data. This Additional Coverage does not apply to your “stock” of prepackaged software, or to electronic data which is integrated in and operates or controls the building’s elevator, lighting, heating, ventilation, air conditioning or security system.
- (2) Subject to the provisions of this Additional Coverage, we will pay for the cost to replace or restore electronic data which has been destroyed or corrupted by a Covered Cause of Loss. To the extent that electronic data is not replaced or restored, the loss will be valued at the cost of replacement of the media on which the electronic data was stored, with blank media of substantially identical type.
- (3) The Covered Causes of Loss applicable to Your Business Personal Property apply to this Additional Coverage – Electronic Data, subject to the following:
 - (a) If the Causes Of Loss – Special Form applies, coverage under this Additional Coverage – Electronic Data is limited to the “specified causes of loss” as defined in that form, and Collapse as set forth in that form.
 - (b) If the Causes Of Loss – Broad Form applies, coverage under this Additional Coverage – Electronic Data includes Collapse as set forth in that form.
 - (c) If the Causes Of Loss Form is endorsed to add a Covered Cause of Loss, the additional Covered Cause of Loss does not apply to the coverage provided under this Additional Coverage – Electronic Data.
 - (d) Regardless of the Causes of Loss Form applicable, we will not pay for loss or damage caused by or resulting from a virus, harmful code or similar instruction, whether from an internal or external source, introduced into or enacted on a computer system (including electronic

data) or a network to which it is connected, designed to damage or destroy any part of the system or disrupt its normal operation. There also is no coverage for loss or damage caused by or resulting from manipulation of a computer system (including electronic data) by any employee, including a temporary or leased employee, or by an entity retained by you or for you to inspect, design, install, modify, maintain, repair or replace that system.

- (4) The most we will pay under this Additional Coverage – Electronic Data is \$2,500 for all loss or damage sustained in any one policy year, regardless of the number of “occurrences” of loss or damage or the number of premises, locations or computer systems involved. If loss payment on the first “occurrence” does not exhaust this amount, then the balance is available for subsequent loss or damage sustained in but not after that policy year. With respect to an “occurrence” which begins in one policy year and continues or results in additional loss or damage in a subsequent policy year(s), all loss or damage is deemed to be sustained in the policy year in which the “occurrence” began.

5. Coverage Extensions

Except as otherwise provided, the following Extensions apply to property located in or on the building described in the Declarations or in the open (or in a vehicle) within 100 feet of the described premises.

Each of the following Coverage Extensions is additional insurance. The Additional Condition, Coinsurance, does not apply to these Extensions.

If a Coinsurance percentage of 80% or more, or a Value Reporting period symbol, is shown in the Declarations, you may extend the insurance provided by this Coverage Part as follows:

a. Newly Acquired Or Constructed Property

(1) Buildings

If this policy covers Building, you may extend that insurance to apply to:

- (a) Your new buildings while being built on the described premises; and
- (b) Buildings you acquire at locations, other than the described premises, intended for:
 - (i) Similar use as the building described in the Declarations; or
 - (ii) Use as a warehouse.

The most we will pay for loss or damage under this Extension is \$250,000 at each building.

(2) Your Business Personal Property

- (a) If this policy covers Your Business Personal Property, you may extend that insurance to apply to:

- (i) Business personal property, including such property that you newly acquire, at any location you acquire other than at fairs, trade shows or exhibitions;
- (ii) Business personal property, including such property that you newly acquire, located at your newly constructed or acquired buildings at the location described in the Declarations; or
- (iii) Business personal property that you newly acquire, located at the described premises.

The most we will pay for loss or damage under this Extension is \$100,000 at each building.

(b) This Extension does not apply to:

- (i) Personal property of others that is temporarily in your possession in the course of installing or performing work on such property; or
- (ii) Personal property of others that is temporarily in your possession in the course of your manufacturing or wholesaling activities.

(3) Period Of Coverage

With respect to insurance provided under this Coverage Extension for Newly Acquired Or Constructed Property, coverage will end when any of the following first occurs:

- (a) This policy expires;
- (b) 30 days expire after you acquire the property or begin construction of that part of the building that would qualify as covered property; or
- (c) You report values to us.

We will charge you additional premium for values reported from the date you acquire the property or begin construction of that part of the building that would qualify as covered property.

b. Personal Effects And Property Of Others

You may extend the insurance that applies to Your Business Personal Property to apply to:

- (1) Personal effects owned by you, your officers, your partners or members, your managers or your employees. This extension does not apply to loss or damage by theft.
- (2) Personal property of others in your care, custody or control.

The most we will pay for loss or damage under this Extension is \$2,500 at each described premises. Our payment for loss of or damage to personal property of others will only be for the account of the owner of the property.

c. Valuable Papers And Records (Other Than Electronic Data)

- (1) You may extend the insurance that applies to Your Business Personal Property to apply to the cost to replace or restore the lost information on valuable papers and records for which duplicates do not exist. But this Extension does not apply to valuable papers and records which exist as electronic data. Electronic data has the meaning described under Property Not Covered – Electronic Data.
- (2) If the Causes Of Loss – Special Form applies, coverage under this Extension is limited to the “specified causes of loss” as defined in that form, and Collapse as set forth in that form.
- (3) If the Causes Of Loss – Broad Form applies, coverage under this Extension includes Collapse as set forth in that form.
- (4) Under this Extension, the most we will pay to replace or restore the lost information is \$2,500 at each described premises, unless a higher limit is shown in the Declarations. Such amount is additional insurance. We will also pay for the cost of blank material for reproducing the records (whether or not duplicates exist), and (when there is a duplicate) for the cost of labor to transcribe or copy the records. The costs of blank material and labor are subject to the applicable Limit of Insurance on Your Business Personal Property and therefore coverage of such costs is not additional insurance.

d. Property Off-Premises

- (1) You may extend the insurance provided by this Coverage Form to apply to your Covered Property while it is away from the described premises, if it is:
 - (a) Temporarily at a location you do not own, lease or operate;
 - (b) In storage at a location you lease, provided the lease was executed after the beginning of the current policy term; or
 - (c) At any fair, trade show or exhibition.
- (2) This Extension does not apply to property:
 - (a) In or on a vehicle; or
 - (b) In the care, custody or control of your salespersons, unless the property is in such care, custody or control at a fair, trade show or exhibition.
- (3) The most we will pay for loss or damage under this Extension is \$10,000.

e. Outdoor Property

You may extend the insurance provided by this Coverage Form to apply to your outdoor fences, radio and television antennas (including satellite dishes), signs (other than signs attached to buildings), trees, shrubs and plants (other than “stock” of trees, shrubs or plants), including debris removal expense, caused by or resulting from any of the following causes of loss if they are Covered Causes of Loss:

- (1) Fire;
- (2) Lightning;

- (3) Explosion;
- (4) Riot or Civil Commotion; or
- (5) Aircraft.

The most we will pay for loss or damage under this Extension is \$1,000, but not more than \$250 for any one tree, shrub or plant. These limits apply to any one "occurrence", regardless of the types or number of items lost or damaged in that "occurrence".

f. Non-Owned Detached Trailers

- (1) You may extend the insurance that applies to Your Business Personal Property to apply to loss or damage to trailers that you do not own, provided that:
 - (a) The trailer is used in your business;
 - (b) The trailer is in your care, custody or control at the premises described in the Declarations; and
 - (c) You have a contractual responsibility to pay for loss or damage to the trailer.
- (2) We will not pay for any loss or damage that occurs:
 - (a) While the trailer is attached to any motor vehicle or motorized conveyance, whether or not the motor vehicle or motorized conveyance is in motion;
 - (b) During hitching or unhitching operations, or when a trailer becomes accidentally unhitched from a motor vehicle or motorized conveyance.
- (3) The most we will pay for loss or damage under this Extension is \$5,000, unless a higher limit is shown in the Declarations.
- (4) This insurance is excess over the amount due (whether you can collect on it or not) from any other insurance covering such property.

B. Exclusions And Limitations

See applicable Causes of Loss Form as shown in the Declarations.

C. Limits Of Insurance

The most we will pay for loss or damage in any one "occurrence" is the applicable Limit of Insurance shown in the Declarations.

The most we will pay for loss or damage to outdoor signs attached to buildings is \$1,000 per sign in any one "occurrence".

The limits applicable to the following Additional Coverages apply in accordance with the terms of such coverage and are in addition to the Limits of Insurance shown in the Declarations for any other coverage:

1. Fire Department Service Charge;
2. Pollutant Clean Up and Removal;
3. Increased Cost of Construction; and
4. Electronic Data.

Payments under the Preservation of Property Additional Coverage will not increase the applicable Limit of Insurance.

D. Deductible

In any one “occurrence” of loss or damage (hereinafter referred to as loss), we will first reduce the amount of loss if required by the Coinsurance Condition or the Agreed Value Optional Coverage. If the adjusted amount of loss is less than or equal to the Deductible, we will not pay for that loss. If the adjusted amount of loss exceeds the Deductible, we will then subtract the Deductible from the adjusted amount of loss, and will pay the resulting amount or the Limit of Insurance, whichever is less.

When the “occurrence” involves loss to more than one item of Covered Property and separate Limits of Insurance apply, the losses will not be combined in determining application of the Deductible. But the Deductible will be applied only once per “occurrence”.

Example No. 1:

(This example assumes there is no coinsurance penalty.)

Deductible:	\$250
Limit of Insurance – Bldg. 1:	\$60,000
Limit of Insurance – Bldg. 2:	\$80,000
Loss to Bldg. 1:	\$60,100
Loss to Bldg. 2:	\$90,000

The amount of loss to Bldg. 1 (\$60,100) is less than the sum (\$60,250) of the Limit of Insurance applicable to Bldg. 1 plus the Deductible.

The Deductible will be subtracted from the amount of loss in calculating the loss payable for Bldg. 1:

\$ 60,100	
– 250	
\$ 59,850	Loss Payable – Bldg. 1

The Deductible applies once per “occurrence” and therefore is not subtracted in determining the amount of loss payable for Bldg. 2. Loss payable for Bldg. 2 is the Limit of Insurance of \$80,000.

Total amount of loss payable: \$59,850 + 80,000 = \$139, 850

Example No. 2:

(This example, too, assumes there is no coinsurance penalty.)

The Deductible and Limits of Insurance are the same as those in Example No. 1.

Loss to Bldg. 1: (exceeds Limit of Insurance plus Deductible)	\$70,000
Loss to Bldg. 2: (exceeds Limit of Insurance plus Deductible)	\$90,000
Loss Payable – Bldg. 1: (Limit of Insurance)	\$60,000
Loss Payable – Bldg. 2: (Limit of Insurance)	\$80,000
Total amount of loss payable:	\$140,000

E. Loss Conditions

The following conditions apply in addition to the Common Policy Conditions and the Commercial Property Conditions.

1. Abandonment

There can be no abandonment of any property to us.

2. Appraisal

If we and you disagree on the value of the property or the amount of loss, either may make written demand for an appraisal of the loss. In this event, each party will select a competent and impartial appraiser. The two appraisers will select an umpire. If they cannot agree, either may request that selection be made by a judge of a court having jurisdiction. The appraisers will state separately the value of the property and amount of loss. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding. Each party will:

- a. Pay its chosen appraiser; and
- b. Bear the other expenses of the appraisal and umpire equally.

If there is an appraisal, we will still retain our right to deny the claim.

3. Duties In The Event Of Loss Or Damage

- a. You must see that the following are done in the event of loss or damage to Covered Property:
 - (1) Notify the police if a law may have been broken.
 - (2) Give us prompt notice of the loss or damage. Include a description of the property involved.
 - (3) As soon as possible, give us a description of how, when and where the loss or damage occurred.

- (4) Take all reasonable steps to protect the Covered Property from further damage, and keep a record of your expenses necessary to protect the Covered Property, for consideration in the settlement of the claim. This will not increase the Limit of Insurance. However, we will not pay for any subsequent loss or damage resulting from a cause of loss that is not a Covered Cause of Loss. Also, if feasible, set the damaged property aside and in the best possible order for examination.
- (5) At our request, give us complete inventories of the damaged and undamaged property. Include quantities, costs, values and amount of loss claimed.
- (6) As often as may be reasonably required, permit us to inspect the property proving the loss or damage and examine your books and records.

Also permit us to take samples of damaged and undamaged property for inspection, testing and analysis, and permit us to make copies from your books and records.
- (7) Send us a signed, sworn proof of loss containing the information we request to investigate the claim. You must do this within 60 days after our request. We will supply you with the necessary forms.
- (8) Cooperate with us in the investigation or settlement of the claim.

- b. We may examine any insured under oath, while not in the presence of any other insured and at such times as may be reasonably required, about any matter relating to this insurance or the claim, including an insured's books and records. In the event of an examination, an insured's answers must be signed.

4. Loss Payment

- a. In the event of loss or damage covered by this Coverage Form, at our option, we will either:
 - (1) Pay the value of lost or damaged property;
 - (2) Pay the cost of repairing or replacing the lost or damaged property, subject to **b.** below;
 - (3) Take all or any part of the property at an agreed or appraised value; or
 - (4) Repair, rebuild or replace the property with other property of like kind and quality, subject to **b.** below.

We will determine the value of lost or damaged property, or the cost of its repair or replacement, in accordance with the applicable terms of the Valuation Condition in this Coverage Form or any applicable provision which amends or supersedes the Valuation Condition.

- b. The cost to repair, rebuild or replace does not include the increased cost attributable to enforcement of or compliance with any ordinance or law regulating the construction, use or repair of any property.
- c. We will give notice of our intentions within 30 days after we receive the sworn proof of loss.

- d. We will not pay you more than your financial interest in the Covered Property.
- e. We may adjust losses with the owners of lost or damaged property if other than you. If we pay the owners, such payments will satisfy your claims against us for the owners' property. We will not pay the owners more than their financial interest in the Covered Property.
- f. We may elect to defend you against suits arising from claims of owners of property. We will do this at our expense.
- g. We will pay for covered loss or damage within 30 days after we receive the sworn proof of loss, if you have complied with all of the terms of this Coverage Part and:
 - (1) We have reached agreement with you on the amount of loss; or
 - (2) An appraisal award has been made.
- h. A party wall is a wall that separates and is common to adjoining buildings that are owned by different parties. In settling covered losses involving a party wall, we will pay a proportion of the loss to the party wall based on your interest in the wall in proportion to the interest of the owner of the adjoining building. However, if you elect to repair or replace your building and the owner of the adjoining building elects not to repair or replace that building, we will pay you the full value of the loss to the party wall, subject to all applicable policy provisions including Limits of Insurance, the Valuation and Coinsurance Conditions and all other provisions of this Loss Payment Condition. Our payment under the provisions of this paragraph does not alter any right of subrogation we may have against any entity, including the owner or insurer of the adjoining building, and does not alter the terms of the Transfer Of Rights Of Recovery Against Others To Us Condition in this policy.

5. Recovered Property

If either you or we recover any property after loss settlement, that party must give the other prompt notice. At your option, the property will be returned to you. You must then return to us the amount we paid to you for the property. We will pay recovery expenses and the expenses to repair the recovered property, subject to the Limit of Insurance.

6. Vacancy

a. Description Of Terms

- (1) As used in this Vacancy Condition, the term building and the term vacant have the meanings set forth in (1)(a) and (1)(b) below:
 - (a) When this policy is issued to a tenant, and with respect to that tenant's interest in Covered Property, building means the unit or suite rented or leased to the tenant. Such building is vacant when it does not contain enough business personal property to conduct customary operations.
 - (b) When this policy is issued to the owner or general lessee of a building, building means the entire building. Such building is vacant unless at least 31% of its total square footage is:
 - (i) Rented to a lessee or sub-lessee and used by the lessee or sub-lessee to conduct its customary operations; and/or

(ii) Used by the building owner to conduct customary operations.

(2) Buildings under construction or renovation are not considered vacant.

b. Vacancy Provisions

If the building where loss or damage occurs has been vacant for more than 60 consecutive days before that loss or damage occurs:

(1) We will not pay for any loss or damage caused by any of the following even if they are Covered Causes of Loss:

(a) Vandalism;

(b) Sprinkler leakage, unless you have protected the system against freezing;

(c) Building glass breakage;

(d) Water damage;

(e) Theft; or

(f) Attempted theft.

(2) With respect to Covered Causes of Loss other than those listed in **b.(1)(a)** through **b.(1)(f)** above, we will reduce the amount we would otherwise pay for the loss or damage by 15%.

7. Valuation

We will determine the value of Covered Property in the event of loss or damage as follows:

a. At actual cash value as of the time of loss or damage, except as provided in **b.**, **c.**, **d.** and **e.** below.

b. If the Limit of Insurance for Building satisfies the Additional Condition, Coinsurance, and the cost to repair or replace the damaged building property is \$2,500 or less, we will pay the cost of building repairs or replacement.

The cost of building repairs or replacement does not include the increased cost attributable to enforcement of or compliance with any ordinance or law regulating the construction, use or repair of any property. However, the following property will be valued at the actual cash value even when attached to the building:

(1) Awnings or floor coverings;

(2) Appliances for refrigerating, ventilating, cooking, dishwashing or laundering; or

(3) Outdoor equipment or furniture.

c. "Stock" you have sold but not delivered at the selling price less discounts and expenses you otherwise would have had.

d. Glass at the cost of replacement with safety glazing material if required by law.

- e. Tenant's Improvements and Betterments at:
 - (1) Actual cash value of the lost or damaged property if you make repairs promptly.
 - (2) A proportion of your original cost if you do not make repairs promptly. We will determine the proportionate value as follows:
 - (a) Multiply the original cost by the number of days from the loss or damage to the expiration of the lease; and
 - (b) Divide the amount determined in (a) above by the number of days from the installation of improvements to the expiration of the lease.

If your lease contains a renewal option, the expiration of the renewal option period will replace the expiration of the lease in this procedure.
 - (3) Nothing if others pay for repairs or replacement.

F. Additional Conditions

The following conditions apply in addition to the Common Policy Conditions and the Commercial Property Conditions.

1. Coinsurance

If a Coinsurance percentage is shown in the Declarations, the following condition applies.

- a. We will not pay the full amount of any loss if the value of Covered Property at the time of loss times the Coinsurance percentage shown for it in the Declarations is greater than the Limit of Insurance for the property.

Instead, we will determine the most we will pay using the following steps:

- (1) Multiply the value of Covered Property at the time of loss by the Coinsurance percentage;
- (2) Divide the Limit of Insurance of the property by the figure determined in Step (1);
- (3) Multiply the total amount of loss, before the application of any deductible, by the figure determined in Step (2); and
- (4) Subtract the deductible from the figure determined in Step (3).

We will pay the amount determined in Step (4) or the limit of insurance, whichever is less. For the remainder, you will either have to rely on other insurance or absorb the loss yourself.

Example No. 1 (Underinsurance):

When:	The value of the property is	\$250,000
	The Coinsurance percentage for it is	80%
	The Limit of Insurance for it is	\$100,000

The Deductible is	\$250
The amount of loss is	\$40,000

Step (1): $\$250,000 \times 80\% = \$200,000$

(the minimum amount of insurance to meet your Coinsurance requirements)

Step (2): $\$100,000 \div \$200,000 = .50$

Step (3): $\$40,000 \times .50 = \$20,000$

Step (4): $\$20,000 - \$250 = \$19,750$

We will pay no more than \$19,750. The remaining \$20,250 is not covered.

Example No. 2 (Adequate Insurance):

When: The value of the property is	\$250,000
The Coinsurance percentage for it is	80%
The Limit of Insurance for it is	\$200,000
The Deductible is	\$250
The amount of loss is	\$40,000

The minimum amount of insurance to meet your Coinsurance requirement is \$200,000 ($\$250,000 \times 80\%$). Therefore, the Limit of Insurance in this Example is adequate and no penalty applies. We will pay no more than \$39,750 (\$40,000 amount of loss minus the deductible of \$250).

- b. If one Limit of Insurance applies to two or more separate items, this condition will apply to the total of all property to which the limit applies.

Example No. 3:

When: The value of property is:	
Bldg. at Location No. 1	\$75,000
Bldg. at Location No. 2	\$100,000
Personal Property at Location No. 2	\$75,000
	\$250,000
The Coinsurance percentage for it is	90%
The Limit of Insurance for Buildings and Personal Property at Location Nos. 1 and 2 is	\$180,000
The Deductible is	\$1,000
The amount of loss is:	
Bldg. at Location No. 2	\$30,000
Personal Property at Location No. 2.	\$20,000
	\$50,000

Step (1): $\$250,000 \times 90\% = \$225,000$

(the minimum amount of insurance to meet your Coinsurance requirements and to avoid the

penalty shown below)

Step (2): $\$180,000 \div \$225,000 = .80$

Step (3): $\$50,000 \times .80 = \$40,000$

Step (4): $\$40,000 - \$1,000 = \$39,000$

We will pay no more than \$39,000. The remaining \$11,000 is not covered.

2. Mortgageholders

- a. The term mortgageholder includes trustee.
- b. We will pay for covered loss of or damage to buildings or structures to each mortgageholder shown in the Declarations in their order of precedence, as interests may appear.
- c. The mortgageholder has the right to receive loss payment even if the mortgageholder has started foreclosure or similar action on the building or structure.
- d. If we deny your claim because of your acts or because you have failed to comply with the terms of this Coverage Part, the mortgageholder will still have the right to receive loss payment if the mortgageholder:
 - (1) Pays any premium due under this Coverage Part at our request if you have failed to do so;
 - (2) Submits a signed, sworn proof of loss within 60 days after receiving notice from us of your failure to do so; and
 - (3) Has notified us of any change in ownership, occupancy or substantial change in risk known to the mortgageholder.

All of the terms of this Coverage Part will then apply directly to the mortgageholder.

- e. If we pay the mortgageholder for any loss or damage and deny payment to you because of your acts or because you have failed to comply with the terms of this Coverage Part:
 - (1) The mortgageholder's rights under the mortgage will be transferred to us to the extent of the amount we pay; and
 - (2) The mortgageholder's right to recover the full amount of the mortgageholder's claim will not be impaired.

At our option, we may pay to the mortgageholder the whole principal on the mortgage plus any accrued interest. In this event, your mortgage and note will be transferred to us and you will pay your remaining mortgage debt to us.

- f. If we cancel this policy, we will give written notice to the mortgageholder at least:
 - (1) 10 days before the effective date of cancellation if we cancel for your nonpayment of premium; or

(2) 30 days before the effective date of cancellation if we cancel for any other reason.

g. If we elect not to renew this policy, we will give written notice to the mortgageholder at least 10 days before the expiration date of this policy.

G. Optional Coverages

If shown as applicable in the Declarations, the following Optional Coverages apply separately to each item.

1. Agreed Value

a. The Additional Condition, Coinsurance, does not apply to Covered Property to which this Optional Coverage applies. We will pay no more for loss of or damage to that property than the proportion that the Limit of Insurance under this Coverage Part for the property bears to the Agreed Value shown for it in the Declarations.

b. If the expiration date for this Optional Coverage shown in the Declarations is not extended, the Additional Condition, Coinsurance, is reinstated and this Optional Coverage expires.

c. The terms of this Optional Coverage apply only to loss or damage that occurs:

(1) On or after the effective date of this Optional Coverage; and

(2) Before the Agreed Value expiration date shown in the Declarations or the policy expiration date, whichever occurs first.

2. Inflation Guard

a. The Limit of Insurance for property to which this Optional Coverage applied will automatically increase by the annual percentage shown in the Declarations.

b. The amount of increase will be:

(1) The Limit of Insurance that applied on the most recent of the policy inception date, the policy anniversary date, or any other policy change amending the Limit of Insurance, times

(2) The percentage of annual increase shown in the Declarations, expressed as a decimal (example: 8% is .08), times

(3) The number of days since the beginning of the current policy year or the effective date of the most recent policy change amending the Limit of Insurance, divided by 365.

Example:

If:	The applicable Limit of Insurance is	\$100,000
	The annual percentage increase is	8%
	The number of days since the beginning of the policy year (or last policy change) is	146

The amount of increase is

\$100,000 x .08 x 146

÷ 365 =

\$3,200

3. Replacement Cost

- a. Replacement Cost (without deduction for depreciation) replaces Actual Cash Value in the Loss Condition, Valuation, of this Coverage Form.
- b. This Optional Coverage does not apply to:
 - (1) Personal property of others;
 - (2) Contents of a residence;
 - (3) Works of art, antiques or rare articles, including etchings, pictures, statuary, marbles, bronzes, porcelains and bric-a-brac; or
 - (4) "Stock", unless the Including "Stock" option is shown in the Declarations.

Under the terms of this Replacement Cost Optional Coverage, tenants' improvements and betterments are not considered to be the personal property of others.

- c. You may make a claim for loss or damage covered by this insurance on an actual cash value basis instead of on a replacement cost basis. In the event you elect to have loss or damage settled on an actual cash value basis, you may still make a claim for the additional coverage this Optional Coverage provides if you notify us of your intent to do so within 180 days after the loss or damage.
- d. We will not pay on a replacement cost basis for any loss or damage:
 - (1) Until the lost or damaged property is actually repaired or replaced; and
 - (2) Unless the repair or replacement is made as soon as reasonably possible after the loss or damage.

With respect to tenants' improvements and betterments, the following also apply:

- (3) If the conditions in **d.(1)** and **d.(2)** above are not met, the value of tenants' improvements and betterments will be determined as a proportion of your original cost, as set forth in the Valuation Condition of this Coverage Form; and
- (4) We will not pay for loss or damage to tenants' improvements and betterments if others pay for repairs or replacement.
- e. We will not pay more for loss or damage on a replacement cost basis than the least of **(1)**, **(2)** or **(3)**, subject to **f.** below:
 - (1) The Limit of Insurance applicable to the lost or damaged property;
 - (2) The cost to replace the lost or damaged property with other property:
 - (a) Of comparable material and quality; and

- (b) Used for the same purpose; or
- (3) The amount actually spent that is necessary to repair or replace the lost or damaged property.

If a building is rebuilt at a new premises, the cost described in e.(2) above is limited to the cost which would have been incurred if the building had been rebuilt at the original premises.

- f. The cost of repair or replacement does not include the increased cost attributable to enforcement of any ordinance or law regulating the construction, use or repair of any property.

4. Extension Of Replacement Cost To Personal Property Of Others

- a. If the Replacement Cost Optional Coverage is shown as applicable in the Declarations, then this Extension may also be shown as applicable. If the Declarations show this Extension as applicable, then Paragraph 3.b.(1) of the Replacement Cost Optional Coverage is deleted and all other provisions of the Replacement Cost Optional Coverage apply to replacement cost on personal property of others.
- b. With respect to replacement cost on the personal property of others, the following limitation applies:

If an item(s) of personal property of others is subject to a written contract which governs your liability for loss or damage to that item(s), then valuation of that item(s) will be based on the amount for which you are liable under such contract, but not to exceed the lesser of the replacement cost of the property or the applicable Limit of Insurance.

H. Definitions

BUSINESS INCOME (AND EXTRA EXPENSE) COVERAGE FORM

Various provisions in this policy restrict coverage. Read the entire policy carefully to determine rights, duties and what is and is not covered.

Throughout this policy the words "you" and "your" refer to the Named Insured shown in the Declarations. The words "we", "us" and "our" refer to the Company providing this insurance.

Other words and phrases that appear in quotation marks have special meaning. Refer to Section **F. Definitions.**

A. Coverage

1. Business Income

Business Income means the:

- a.** Net Income (Net Profit or Loss before income taxes) that would have been earned or incurred; and
- b.** Continuing normal operating expenses incurred, including payroll.

For manufacturing risks, Net Income includes the net sales value of production.

Coverage is provided as described and limited below for one or more of the following options for which a Limit Of Insurance is shown in the Declarations:

- (1)** Business Income including "Rental Value".
- (2)** Business Income other than "Rental Value".
- (3)** "Rental Value".

If option **(1)** above is selected, the term Business Income will include "Rental Value". If option **(3)** above is selected, the term Business Income will mean "Rental Value" only.

If Limits of Insurance are shown under more than one of the above options, the provisions of this Coverage Part apply separately to each.

We will pay for the actual loss of Business Income you sustain due to the necessary "suspension" of your "operations" during the "period of restoration". The "suspension" must be caused by direct physical loss of or damage to property at premises which are described in the Declarations and for which a Business Income Limit Of Insurance is shown in the Declarations. The loss or damage must be caused by or result from a Covered Cause of Loss. With respect to loss of or damage to personal property in the open or personal property in a vehicle, the described premises include the area within 100 feet of the site at which the described premises are located.

With respect to the requirements set forth in the preceding paragraph, if you occupy only part of a building, your premises means:

- a.** The portion of the building which you rent, lease or occupy;

- b. The area within 100 feet of the building or within 100 feet of the premises described in the Declarations, whichever distance is greater (with respect to loss of or damage to personal property in the open or personal property in a vehicle).
- c. Any area within the building or at the described premises, if that area services, or is used to gain access to, the portion of the building which you rent, lease or occupy.

2. Extra Expense

- a. Extra Expense coverage is provided at the premises described in the Declarations only if the Declarations show that Business Income coverage applies at that premises.
- b. Extra Expense means necessary expenses you incur during the “period of restoration” that you would not have incurred if there had been no direct physical loss or damage to property caused by or resulting from a Covered Cause of Loss.

We will pay Extra Expense (other than the expense to repair or replace property) to:

- (1) Avoid or minimize the “suspension” of business and to continue “operations” at the described premises or at replacement premises or temporary locations, including relocation expenses and costs to equip and operate the replacement location or temporary location.
- (2) Minimize the “suspension” of business if you cannot continue “operations”.

We will also pay Extra Expense to repair or replace property, but only to the extent it reduces the amount of loss that otherwise would have been payable under this Coverage Form.

3. Covered Causes Of Loss, Exclusions And Limitations

See applicable Causes of Loss form as shown in the Declarations.

4. Additional Limitation – Interruption Of Computer Operations

- a. Coverage for Business Income does not apply when a “suspension” of “operations” is caused by destruction or corruption of electronic data, or any loss or damage to electronic data, except as provided under the Additional Coverage – Interruption Of Computer Operations.
- b. Coverage for Extra Expense does not apply when action is taken to avoid or minimize a “suspension” of “operations” caused by destruction or corruption of electronic data, or any loss or damage to electronic data, except as provided under the Additional Coverage – Interruption Of Computer Operations.
- c. Electronic data means facts, concepts and information converted to a form useable for communications, interpretation or processing by electronic or electromechanical data processing or electronically controlled equipment and includes programs, software, and other coded instructions for the processing and manipulation of data or the direction and manipulation of such equipment.

5. Additional Coverages

- a. **Civil Authority**

We will pay for the actual loss of Business Income you sustain and necessary Extra Expense caused by action of civil authority that prohibits access to the described premises provided that both of the following apply:

- (1) Access to the area immediately surrounding the damaged property is prohibited by civil authority as a result of the damage, and the described premises are within that area but are not more than one mile from the damaged property; and
- (2) The action of civil authority is taken in response to dangerous physical conditions resulting from the damage or continuation of the Covered Cause of Loss that caused the damage, or the action is taken to enable a civil authority to have unimpeded access to the damaged property.

The coverage for Business Income will begin 72 hours after the time of that action and will apply for a period of up to three consecutive weeks after coverage begins.

The coverage for Extra Expense will begin immediately after the time of that action and will end:

- (1) 3 consecutive weeks after the time of that action; or
- (2) When your Business Income coverage ends;

whichever is later.

b. Alterations And New Buildings

We will pay for the actual loss of Business Income you sustain and necessary Extra Expense you incur due to direct physical loss or damage at the described premises caused by or resulting from any Covered Cause of Loss to:

- (1) New buildings or structures, whether complete or under construction;
- (2) Alterations or additions to existing buildings or structures; and
- (3) Machinery, equipment, supplies or building materials located on or within 100 feet of the described premises and:
 - (a) Used in the construction, alterations or additions; or
 - (b) Incidental to the occupancy of new buildings.

If such direct physical loss or damage delays the start of "operations", the "period of restoration" for Business Income Coverage will begin on the date "operations" would have begun if the direct physical loss or damage had not occurred.

c. Extended Business Income

(1) Business Income Other Than "Rental Value"

If the necessary "suspension" of your "operations" produces a Business Income loss payable under this policy, we will pay for the actual loss of Business Income you incur during the period that:

- (a) Begins on the date property (except “finished stock”) is actually repaired, rebuilt or replaced and “operations” are resumed; and
- (b) Ends on the earlier of:
 - (i) The date you could restore your “operations”, with reasonable speed, to the level which would generate the business income amount that would have existed if no direct physical loss or damage had occurred; or
 - (ii) 30 consecutive days after the date determined in (1)(a) above.

However, Extended Business Income does not apply to loss of Business Income incurred as a result of unfavorable business conditions caused by the impact of the Covered Cause of Loss in the area where the described premises are located.

Loss of Business Income must be caused by direct physical loss or damage at the described premises caused by or resulting from any Covered Cause of Loss.

(2) “Rental Value”

If the necessary “suspension” of your “operations” produces a “Rental Value” loss payable under this policy, we will pay for the actual loss of “Rental Value” you incur during the period that:

- (a) Begins on the date property is actually repaired, rebuilt or replaced and tenantability is restored; and
- (b) Ends on the earlier of:
 - (i) The date you could restore tenant occupancy, with reasonable speed, to the level which would generate the “Rental Value” that would have existed if no direct physical loss or damage had occurred; or
 - (ii) 30 consecutive days after the date determined in (2)(a) above.

However, Extended Business Income does not apply to loss of “Rental Value” incurred as a result of unfavorable business conditions caused by the impact of the Covered Cause of Loss in the area where the described premises are located.

Loss of “Rental Value” must be caused by direct physical loss or damage at the described premises caused by or resulting from any Covered Cause of Loss.

d. Interruption Of Computer Operations

- (1) Under this Additional Coverage, electronic data has the meaning described under Additional Limitation – Interruption Of Computer Operations.
- (2) Subject to all provisions of this Additional Coverage, you may extend the insurance that applies to Business Income and Extra Expense to apply to a “suspension” of “operations” caused by an interruption in computer operations

due to destruction or corruption of electronic data due to a Covered Cause of Loss.

- (3) With respect to the coverage provided under this Additional Coverage, the Covered Causes of Loss are subject to the following:
 - (a) If the Causes Of Loss – Special Form applies, coverage under this Additional Coverage – Interruption Of Computer Operations is limited to the “specified causes of loss” as defined in that form, and Collapse as set forth in that form.
 - (b) If the Causes Of Loss – Broad Form applies, coverage under this Additional Coverage – Interruption Of Computer Operations includes Collapse as set forth in that form.
 - (c) If the Causes Of Loss form is endorsed to add a Covered Cause of Loss, the additional Covered Cause of Loss does not apply to the coverage provided under this Additional Coverage – Interruption Of Computer Operations.
 - (d) Regardless of the Causes Of Loss Form applicable, we will not pay for loss or damage caused by or resulting from a virus, harmful code or similar instruction, whether from an internal or external source, introduced into or enacted on a computer system (including electronic data) or a network to which it is connected, designed to damage or destroy any part of the system or disrupt its normal operation. There also is no coverage for an interruption related to manipulation of a computer system (including electronic data) by any employee, including a temporary or leased employee, or by an entity retained by you or for you to inspect, design, install, maintain, repair or replace that system.
- (4) The most we will pay under this Additional Coverage – Interruption Of Computer Operations is \$2,500 for all loss sustained and expense incurred in any one policy year, regardless of the number of interruptions or the number of premises, locations or computer systems involved. If loss payment relating to the first interruption does not exhaust this amount, then the balance is available for loss or expense sustained or incurred as a result of subsequent interruptions in that policy year. A balance remaining at the end of a policy year does not increase the amount of insurance in the next policy year. With respect to any interruption which begins in one policy year and continues or results in additional loss or expense in a subsequent policy year(s), all loss and expense is deemed to be sustained or incurred in the policy year in which the interruption began.
- (5) This Additional Coverage – Interruption Of Computer Operations does not apply to loss sustained or expense incurred after the end of the “period of restoration”, even if the amount of insurance stated in (4) above has not been exhausted.

6. Coverage Extension

This Extension is additional insurance. The Additional Condition, Coinsurance, does not apply to this Extension.

If a Coinsurance percentage of 50% or more is shown in the Declarations, you may extend the insurance provided by this Coverage Part as follows:

NEWLY ACQUIRED LOCATIONS

- a. You may extend your Business Income and Extra Expense Coverages to apply to property at any location you acquire other than fairs or exhibitions.
- b. The most we will pay under this Extension, for the sum of Business Income loss and Extra Expense incurred, is \$100,000 at each location.
- c. Insurance under this Extension for each newly acquired location will end when any of the following first occurs:
 - (1) This policy expires;
 - (2) 30 days expire after you acquire or begin to construct the property; or
 - (3) You report values to us.

We will charge you additional premium for values reported from the date you acquire the property.

B. Limits Of Insurance

The most we will pay for loss in any one "occurrence" is the applicable Limit of Insurance shown in the Declarations.

The limit applicable to the Coverage Extension is in addition to the Limit of Insurance.

Payments under the following coverages will not increase the applicable Limit of Insurance:

1. Alterations and New Buildings;
2. Civil Authority;
3. Extra Expense; or
4. Extended Business Income.

C. Loss Conditions

The following conditions apply in addition to the Common Policy Conditions and the Commercial Property Conditions:

1. Appraisal

If we and you disagree on the amount of Net Income and operating expense or the amount of loss, either may make written demand for an appraisal of the loss. In this event, each party will select a competent and impartial appraiser.

The two appraisers will select an umpire. If they cannot agree, either may request that selection be made by a judge of a court having jurisdiction. The appraisers will state separately the amount of Net Income and operating expense or amount of loss. If they fail to

agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding. Each party will:

- a. Pay its chosen appraiser; and
- b. Bear the other expenses of the appraisal and umpire equally.

If there is an appraisal, we will still retain our right to deny the claim.

2. Duties In The Event Of Loss

- a. You must see that the following are done in the event of loss:
 - (1) Notify the police if a law may have been broken.
 - (2) Give us prompt notice of the direct physical loss or damage. Include a description of the property involved.
 - (3) As soon as possible, give us a description of how, when, and where the direct physical loss or damage occurred.
 - (4) Take all reasonable steps to protect the Covered Property from further damage, and keep a record of your expenses necessary to protect the Covered Property, for consideration in the settlement of the claim. This will not increase the Limit of Insurance. However, we will not pay for any subsequent loss or damage resulting from a cause of loss that is not a Covered Cause of Loss. Also, if feasible, set the damaged property aside and in the best possible order for examination.
 - (5) As often as may be reasonably required, permit us to inspect the property proving the loss or damage and examine your books and records.

Also permit us to take samples of damaged and undamaged property for inspection, testing and analysis, and permit us to make copies from your books and records.
 - (6) Send us a signed, sworn proof of loss containing the information we request to investigate the claim. You must do this within 60 days after our request. We will supply you with the necessary forms.
 - (7) Cooperate with us in the investigation or settlement of the claim.
 - (8) If you intend to continue your business, you must resume all or part of your "operations" as quickly as possible.
- b. We may examine any insured under oath, while not in the presence of any other insured and at such times as may be reasonably required, about any matter relating to this insurance or the claim, including an insured's books and records. In the event of an examination, an insured's answers must be signed.

3. Loss Determination

- a. The amount of Business Income loss will be determined based on:

- (1) The Net Income of the business before the direct physical loss or damage occurred;
 - (2) The likely Net Income of the business if no physical loss or damage had occurred, but not including any Net Income that would likely have been earned as a result of an increase in the volume of business due to favorable business conditions caused by the impact of the Covered Cause of Loss on customers or on other businesses;
 - (3) The operating expenses, including payroll expenses, necessary to resume "operations" with the same quality of service that existed just before the direct physical loss or damage; and
 - (4) Other relevant sources of information, including:
 - (a) Your financial records and accounting procedures;
 - (b) Bills, invoices and other vouchers; and
 - (c) Deeds, liens or contracts.
- b. The amount of Extra Expense will be determined based on:
- (1) All expenses that exceed the normal operating expenses that would have been incurred by "operations" during the "period of restoration" if no direct physical loss or damage had occurred. We will deduct from the total of such expenses:
 - (a) The salvage value that remains of any property bought for temporary use during the "period of restoration", once "operations" are resumed; and
 - (b) Any Extra Expense that is paid for by other insurance, except for insurance that is written subject to the same plan, terms, conditions and provisions as this insurance; and
 - (2) Necessary expenses that reduce the Business Income loss that otherwise would have been incurred.
- c. **Resumption Of Operations**
- We will reduce the amount of your:
- (1) Business Income loss, other than Extra Expense, to the extent you can resume your "operations", in whole or in part, by using damaged or undamaged property (including merchandise or stock) at the described premises or elsewhere.
 - (2) Extra Expense loss to the extent you can return "operations" to normal and discontinue such Extra Expense.
- d. If you do not resume "operations", or do not resume "operations" as quickly as possible, we will pay based on the length of time it would have taken to resume "operations" as quickly as possible.

4. Loss Payment

We will pay for covered loss within 30 days after we receive the sworn proof of loss, if you have complied with all of the terms of this Coverage Part and:

- a. We have reached agreement with you on the amount of loss; or
- b. An appraisal award has been made.

D. Additional Condition

Coinsurance

If a Coinsurance percentage is shown in the Declarations, the following condition applies in addition to the Common Policy Conditions and the Commercial Property Conditions.

We will not pay the full amount of any Business Income loss if the Limit of Insurance for Business Income is less than:

- a. The Coinsurance percentage shown for Business Income in the Declarations; times
- b. The sum of:
 - (1) The Net Income (Net Profit or Loss before income taxes), and
 - (2) Operating expenses, including payroll expenses,

that would have been earned or incurred (had no loss occurred) by your "operations" at the described premises for the 12 months following the inception, or last previous anniversary date, of this policy (whichever is later).

Instead, we will determine the most we will pay using the following steps:

1. Multiply the Net Income and operating expense for the 12 months following the inception, or last previous anniversary date, of this policy by the Coinsurance percentage;
2. Divide the Limit of Insurance for the described premises by the figure determined in Step 1.; and
3. Multiply the total amount of loss by the figure determined in Step 2.

We will pay the amount determined in Step 3. or the limit of insurance, whichever is less. For the remainder, you will either have to rely on other insurance or absorb the loss yourself.

In determining operating expenses for the purpose of applying the Coinsurance condition, the following expenses, if applicable, shall be deducted from the total of all operating expenses:

1. Prepaid freight – outgoing;
2. Returns and allowances;
3. Discounts;
4. Bad debts;

5. Collection expenses;
6. Cost of raw stock and factory supplies consumed (including transportation charges);
7. Cost of merchandise sold (including transportation charges);
8. Cost of other supplies consumed (including transportation charges);
9. Cost of services purchased from outsiders (not employees) to resell, that do not continue under contract;
10. Power, heat and refrigeration expenses that do not continue under contract (if Form CP 15 11 is attached);
11. All payroll expenses or the amount of payroll expense excluded (if Form CP 15 10 is attached); and
12. Special deductions for mining properties (royalties unless specifically included in coverage; actual depletion commonly known as unit or cost depletion – not percentage depletion; welfare and retirement fund charges based on tonnage; hired trucks).

Example No. 1 (Underinsurance):

When:	The Net Income and operating expenses for the 12 months following the inception, or last previous anniversary date, of this policy at the described premises would have been	\$400,000
	The Coinsurance percentage is	50%
	The Limit of Insurance is	\$150,000
	The amount of loss is	\$80,000
Step 1:	$\$400,000 \times 50\% = \$200,000$	
	(the minimum amount of insurance to meet your Coinsurance requirements)	
Step 2:	$\$150,000 \div \$200,000 = .75$	
Step 3:	$\$80,000 \times .75 = \$60,000$	

We will pay no more than \$60,000. The remaining \$20,000 is not covered.

Example No. 2 (Adequate Insurance):

When:	The Net Income and operating expenses for the 12 months following the inception, or last previous anniversary date, of this policy at the described premises would have been	\$400,000
	The Coinsurance percentage is	50%
	The Limit of Insurance is	\$200,000
	The amount of loss is	\$80,000

The minimum amount of insurance to meet your Coinsurance requirement is \$200,000 (\$400,000 x 50%). Therefore, the Limit of Insurance in this Example is adequate and no penalty applies. We will pay no more than \$80,000 (amount of loss).

This condition does not apply to Extra Expense Coverage.

E. Optional Coverages

If shown as applicable in the Declarations, the following Optional Coverages apply separately to each item.

1. Maximum Period Of Indemnity

- a. The Additional Condition, Coinsurance, does not apply to this Coverage Form at the described premises to which this Optional Coverage applies.
- b. The most we will pay for the total of Business Income loss and Extra Expense is the lesser of:
 - (1) The amount of loss sustained and expenses incurred during the 120 days immediately following the beginning of the "period of restoration"; or
 - (2) The Limit Of Insurance shown in the Declarations.

2. Monthly Limit Of Indemnity

- a. The Additional Condition, Coinsurance, does not apply to this Coverage Form at the described premises to which this Optional Coverage applies.
- b. The most we will pay for loss of Business Income in each period of 30 consecutive days after the beginning of the "period of restoration" is:
 - (1) The Limit of Insurance, multiplied by
 - (2) The fraction shown in the Declarations for this Optional Coverage.

Example:

When:	The Limit of Insurance is	\$120,000
	The fraction shown in the Declarations for this Optional Coverage is	1/4
	The most we will pay for loss in each period of 30 consecutive days is:	
	$\$120,000 \times 1/4 = \$30,000$	
	If, in this example, the actual amount of loss is:	
	Days 1-30	\$40,000
	Days 31-60	\$20,000
	Days 61-90	\$30,000
		<hr/>
		\$90,000
	We will pay:	
	Days 1-30	\$30,000
	Days 31-60	\$20,000

Days 61-90	\$30,000
	\$80,000

The remaining \$10,000 is not covered.

3. Business Income Agreed Value

- a. To activate this Optional Coverage:
 - (1) A Business Income Report/Work Sheet must be submitted to us and must show financial data for your "operations":
 - (a) During the 12 months prior to the date of the Work Sheet; and
 - (b) Estimated for the 12 months immediately following the inception of this Optional Coverage.
 - (2) The Declarations must indicate that the Business Income Agreed Value Optional Coverage applies, and an Agreed Value must be shown in the Declarations. The Agreed Value should be at least equal to:
 - (a) The Coinsurance percentage shown in the Declarations; multiplied by
 - (b) The amount of Net Income and operating expenses for the following 12 months you report on the Work Sheet.
- b. The Additional Condition, Coinsurance, is suspended until:
 - (1) 12 months after the effective date of this Optional Coverage; or
 - (2) The expiration date of this policy;

whichever occurs first.
- c. We will reinstate the Additional Condition, Coinsurance, automatically if you do not submit a new Work Sheet and Agreed Value:
 - (1) Within 12 months of the effective date of this Optional Coverage; or
 - (2) When you request a change in your Business Income Limit of Insurance.
- d. If the Business Income Limit of Insurance is less than the Agreed Value, we will not pay more of any loss than the amount of loss multiplied by:
 - (1) The Business Income Limit of Insurance; divided by
 - (2) The Agreed Value.

Example:

When:	The Limit of Insurance is	\$100,000
	The Agreed Value is	\$200,000
	The amount of loss is	\$80,000

Step (a): $\$100,000 \div \$200,000 = .50$

Step (b): $.50 \times \$80,000 = \$40,000$

We will pay \$40,000. The remaining \$40,000 is not covered.

4. **Extended Period Of Indemnity**

Under Paragraph **A.5.c., Extended Business Income**, the number “30” in Subparagraphs **(1)(b)** and **(2)(b)** is replaced by the number shown in the Declarations for this Optional Coverage.

F. **Definitions**

1. **“Finished Stock”** means stock you have manufactured.

“Finished stock” also includes whiskey and alcoholic products being aged, unless there is a Coinsurance percentage shown for Business Income in the Declarations.

“Finished stock” does not include stock you have manufactured that is held for sale on the premises of any retail outlet insured under this Coverage Part.

2. **“Operations”** means:

- a. Your business activities occurring at the described premises; and
- b. The tenantability of the described premises, if coverage for Business Income including “Rental Value” or “Rental Value” applies.

3. **“Period of Restoration”** means the period of time that:

- a. Begins:
 - (1) 72 hours after the time of direct physical loss or damage for Business Income coverage; or
 - (2) Immediately after the time of direct physical loss or damage for Extra Expense coverage;caused by or resulting from any Covered Cause of Loss at the described premises; and
- b. Ends on the earlier of:
 - (1) The date when the property at the described premises should be repaired, rebuilt or replaced with reasonable speed and similar quality; or
 - (2) The date when business is resumed at a new permanent location.

“Period of restoration” does not include any increased period required due to the enforcement of or compliance with any ordinance or law that:

- (1) Regulates the construction, use or repair, or requires the tearing down of any property; or

- (2) Requires any insured or others to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of "pollutants".

The expiration date of this policy will not cut short the "period of restoration".

4. **"Pollutants"** means any solid, liquid, gaseous or thermal irritant or contaminant, including smoke, vapor, soot, fumes, acids, alkalis, chemicals and waste. Waste includes materials to be recycled, reconditioned or reclaimed.
5. **"Rental Value"** means Business Income that consists of:
 - a. Net Income (Net Profit or Loss before income taxes) that would have been earned or incurred as rental income from tenant occupancy of the premises described in the Declarations as furnished and equipped by you, including fair rental value of any portion of the described premises which is occupied by you; and
 - b. Continuing normal operating expenses incurred in connection with that premises, including:
 - (1) Payroll; and
 - (2) The amount of charges which are the legal obligation of the tenant(s) but would otherwise be your obligations.
6. **"Suspension"** means:
 - a. The slowdown or cessation of your business activities; or
 - b. That a part or all of the described premises is rendered untenable, if coverage for Business Income Including "Rental Value" or "Rental Value" applies.

CAUSES OF LOSS – SPECIAL FORM

Words and phrases that appear in quotation marks have special meaning. Refer to Section **G. Definitions**.

A. Covered Causes Of Loss

When Special is shown in the Declarations, Covered Causes of Loss means Direct Physical Loss unless the loss is excluded or limited in this policy.

B. Exclusions

1. We will not pay for loss or damage caused directly or indirectly by any of the following. Such loss or damage is excluded regardless of any other cause or event that contributes concurrently or in any sequence to the loss.

a. Ordinance Or Law

The enforcement of or compliance with any ordinance or law:

- (1) Regulating the construction, use or repair of any property; or
- (2) Requiring the tearing down of any property, including the cost of removing its debris.

This exclusion, Ordinance Or Law, applies whether the loss results from:

- (1) An ordinance or law that is enforced even if the property has not been damaged; or
- (2) The increased costs incurred to comply with an ordinance or law in the course of construction, repair, renovation, remodeling or demolition of property, or removal of its debris, following a physical loss to that property.

b. Earth Movement

- (1) Earthquake, including tremors and aftershocks and any earth sinking, rising or shifting related to such event;
- (2) Landslide, including any earth sinking, rising or shifting related to such event;
- (3) Mine subsidence, meaning subsidence of a man-made mine, whether or not mining activity has ceased;
- (4) Earth sinking (other than sinkhole collapse), rising or shifting including soil conditions which cause settling, cracking or other disarrangement of foundations or other parts of realty. Soil conditions include contraction, expansion, freezing, thawing, erosion, improperly compacted soil and the action of water under the ground surface.

But if Earth Movement, as described in **b.(1)** through **(4)** above, results in fire or explosion, we will pay for the loss or damage caused by that fire or explosion.

- (5) Volcanic eruption, explosion or effusion. But if volcanic eruption, explosion or effusion results in fire, building glass breakage or Volcanic Action, we will pay

for the loss or damage caused by that fire, building glass breakage or Volcanic Action.

Volcanic Action means direct loss or damage resulting from the eruption of a volcano when the loss or damage is caused by:

- (a) Airborne volcanic blast or airborne shock waves;
- (b) Ash, dust or particulate matter; or
- (c) Lava flow.

With respect to coverage for Volcanic action as set forth in (5)(a), (5)(b) and (5)(c), all volcanic eruptions that occur within any 168-hour period will constitute a single "occurrence".

Volcanic Action does not include the cost to remove ash, dust or particulate matter that does not cause direct physical loss or damage to the described property.

This exclusion applies regardless of whether any of the above, in Paragraphs (1) through (5), is caused by an act of nature or is otherwise caused.

c. Governmental Action

Seizure or destruction of property by order of governmental authority.

But we will pay for loss or damage caused by or resulting from acts of destruction ordered by governmental authority and taken at the time of a fire to prevent its spread, if the fire would be covered under this Coverage Part.

d. Nuclear Hazard

Nuclear reaction or radiation, or radioactive contamination, however caused.

But if nuclear reaction or radiation, or radioactive contamination, results in fire, we will pay for the loss or damage caused by that fire.

e. Utility Services

The failure of power, communication, water or other utility service supplied to the described premises, however caused, if the failure:

- (1) Originates away from the described premises; or
- (2) Originates at the described premises, but only if such failure involves equipment used to supply the utility service to the described premises from a source away from the described premises.

Failure of any utility service includes lack of sufficient capacity and reduction in supply.

Loss or damage caused by a surge of power is also excluded, if the surge would not have occurred but for an event causing a failure of power.

But if the failure or surge of power, or the failure of communication, water or other utility service, results in a Covered Cause of Loss, we will pay for the loss or damage caused by that Covered Cause of Loss.

Communication services include but are not limited to service relating Internet access or access to any electronic, cellular or satellite network.

f. War And Military Action

- (1) War, including undeclared or civil war;
- (2) Warlike action by a military force, including action in hindering or defending against an actual or expected attack, by any government, sovereign or other authority using military personnel or other agents; or
- (3) Insurrection, rebellion, revolution, usurped power, or action taken by governmental authority in hindering or defending against any of these.

g. Water

- (1) Flood, surface water, waves (including tidal wave and tsunami), tides, tidal waves, overflow of any body of water, or their spray, all whether driven by wind or not (including storm surge);
- (2) Mudslide or mudflow;
- (3) Water that backs up or overflows or is otherwise discharged from a sewer, drain, sump, sump pump or related equipment; or
- (4) Water under the ground surface pressing on, or flowing or seeping through:
 - (a) Foundations, walls, floors or paved surfaces;
 - (b) Basements, whether paved or not; or
 - (c) Doors, windows or other openings; or
- (5) Waterborne material carried or otherwise moved by any of the water referred to in Paragraph (1), (3), or (4), or material carried or otherwise moved by mudslide or mudflow.

This exclusion applies regardless of whether any of the above, in Paragraphs (1) through (5), is caused by an act of nature or is otherwise caused. An example of a situation to which this exclusion applies is the situation where a dam, levee, seawall or other boundary or containment system fails in whole or in part, for any reason, to contain the water.

But if any of the above, as described in g.(1) through g.(5), results in fire, explosion or sprinkler leakage, we will pay for the loss or damage caused by that fire, explosion or sprinkler leakage (if sprinkler leakage is a Covered Cause of Loss).

Exclusions B.1.a. through B.1.g. apply whether or not the loss event results in widespread damage or affects a substantial area.

- 2.** We will not pay for loss or damage caused by or resulting from any of the following:

- 3. We will not pay for loss or damage caused by or resulting from any of the following, **3.a.** through **3.c.** But if an excluded cause of loss that is listed in **3.a.** through **3.c.** results in a Covered Cause of Loss, we will pay for the loss or damage caused by that Covered Cause of Loss.

- a. Weather conditions. But this exclusion only applies if weather conditions contribute in any way with a cause or event excluded in Paragraph **1.** above to produce the loss or damage.

This exclusion applies to any effect that compromises the form, substance or quality of the product. But if such error or omission results in a Covered Cause of Loss, we will pay for the loss or damage caused by that Covered Cause of Loss.

C. Limitations

The following limitations apply to all policy forms and endorsements, unless otherwise stated.

1. We will not pay for loss of or damage to property, as described and limited in this section. In addition, we will not pay for any loss that is a consequence of loss or damage as described and limited in this section.
 - a. Steam boilers, steam pipes, steam engines or steam turbines caused by or resulting from any condition or event inside such equipment. But we will pay for loss of or

damage to such equipment caused by or resulting from an explosion of gases or fuel within the furnace of any fired vessel or within the flues or passages through which the gases of combustion pass.

 - (2)** The loss or damage is caused by or results from thawing of snow, sleet or ice on the building or structure.
- d.** Building materials and supplies not attached as part of the building or structure, caused by or resulting from theft.

However, this limitation does not apply to:

- (1)** Building materials and supplies held for sale by you, unless they are insured under the Builders Risk Coverage Form; or
 - (2)** Business Income coverage or Extra Expense coverage.
- e.** Property that is missing, where the only evidence of the loss or damage is a shortage disclosed on taking inventory, or other instances where there is no physical evidence to show what happened to the property.
 - f.** Property that has been transferred to a person or to a place outside the described premises on the basis of unauthorized instructions.
 - g.** Lawns, trees, shrubs or plants which are part of a vegetated roof, caused by or resulting from:

- a.** Animals, and then only if they are killed or their destruction is made necessary.
 - b.** Fragile articles such as statuary, marbles, chinaware and porcelains, if broken. This restriction does not apply to:

- (1) Glass; or
- (2) Containers of property held for sale.
- c. Builders' machinery, tools and equipment owned by you or entrusted to you, provided such property is Covered Property.

However, this limitation does not apply:

 - (2) To Business Income coverage or to Extra Expense coverage.
3. The special limit shown for each category, **a.** through **d.**, is the total limit for loss of or damage to all property in that category. The special limit applies to any one "occurrence" of theft, regardless of the types or number of articles that are lost or damaged in that "occurrence". The special limits are:
- a. \$2,500 for furs, fur garments and garments trimmed with fur.
 - b. \$2,500 for jewelry, watches, watch movements, jewels, pearls, precious and semi-precious stones, bullion, gold, silver, platinum and other precious alloys or metals. This limit does not apply to jewelry and watches worth \$100 or less per item.

 - d. \$250 for stamps, tickets, including lottery tickets held for sale, and letters of credit.

These special limits are part of, not in addition to, the Limit of Insurance applicable to the Covered Property.

This limitation, **C.3.**, does not apply to Business Income coverage or to Extra Expense coverage.

4. We will not pay the cost to repair any defect to a system or appliance from which water, other liquid, powder or molten material escapes. But we will pay the cost to repair or replace damaged parts of fire extinguishing equipment if the damage:
- a. Results in discharge of any substance from an automatic fire protection system; or
 - b. Is directly caused by freezing.

However, this limitation does not apply to Business Income coverage or to Extra Expense coverage.

D. Additional Coverage – Collapse

The term Covered Cause of Loss includes the Additional Coverage – Collapse and applies only to an abrupt collapse as described and limited in **D.1.** through **D.5.** below.

1. For the purposes of this Additional Coverage - Collapse:

- a. Abrupt collapse means an abrupt falling down or caving in of a building or any part of a building with the result that the building or part of the building cannot be occupied for its intended purpose;
 - b. A building or any part of a building that is in danger of falling down or caving in is not considered to be in a state of abrupt collapse;
 - c. A part of a building that is standing is not considered to be in a state of abrupt collapse even if it has separated from another part of the building;
 - d. A building that is standing or any part of a building that is standing is not considered to be in a state of abrupt collapse even if it shows evidence of cracking, bulging, sagging, bending, leaning, settling, shrinkage or expansion.
2. We will pay for direct physical loss or damage to Covered Property, caused by abrupt collapse of a building or any part of a building that is insured under this Coverage Form or that contains Covered Property insured under this Coverage Form, if such collapse is caused by one or more of the following:
- a. The “specified causes of loss” or breakage of building glass, all only as insured against in this Coverage Part;
 - b. Building decay that is hidden from view, unless the presence of such decay is known to an insured prior to collapse;
 - c. Insect or vermin damage that is hidden from view, unless the presence of such damage is known to an insured prior to collapse;
 - d. Weight of people or personal property;
 - e. Weight of rain that collects on a roof;
 - f. Use of defective material or methods in construction, remodeling or renovation if the abrupt collapse occurs during the course of the construction, remodeling or renovation. However, if the collapse occurs after construction, remodeling or renovation is complete and is caused in part by a cause of loss listed in **2.a.** through **2.e.**, we will pay for the loss or damage even if use of defective material or methods, in construction, remodeling or renovation, contributes to the collapse.

The criteria set forth in **1.a.** through **1.d.** do not limit the coverage otherwise provided under this Causes Of Loss form for the causes of loss listed in **2.a.**, **2.d.** and **2.e.**

3. With respect to the following property:
- a. Outdoor radio or television antennas (including satellite dishes) and their lead-in wiring, masts or towers;
 - b. Awnings, gutters and downspouts;
 - c. Yard fixtures;
 - d. Outdoor swimming pools;
 - e. Fences;

- f. Piers, wharves and docks;
- g. Beach or diving platforms or appurtenances;
- h. Retaining walls; and
- i. Walks, roadways and other paved surfaces;

if the abrupt collapse is caused by a cause of loss listed in **2.b.** through **2.f.**, we will pay for loss or damage to that property only if:

- a. Such loss or damage is a direct result of the abrupt collapse of a building insured under this Coverage Form; and
 - b. The property is Covered Property under this Coverage Form.
- 4.** If personal property abruptly falls down or caves in and such collapse is not the result of abrupt collapse of a building, we will pay for loss or damage to Covered Property caused by such collapse of personal property only if:
- a. The collapse of personal property was caused by a Cause of Loss listed in **2.a.** through **2.f.** above;
 - b. The personal property which collapses is inside a building; and
 - c. The property which collapses is not of a kind listed in **3.** above, regardless of whether that kind of property is considered to be personal property or real property.

The coverage stated in this Paragraph **4.** does not apply to personal property if marring and/or scratching is the only damage to that personal property caused by the collapse.

Collapse of personal property does not mean cracking, bulging, sagging, bending, leaning, settling, shrinkage or expansion.

This Additional Coverage – Collapse does not apply to personal property that has not abruptly fallen down or caved in.

- 5.** This Additional Coverage, Collapse, will not increase the Limits of Insurance provided in this Coverage Part.

F. Additional Coverage Extensions

1. Property In Transit

This Extension applies only to your personal property to which this form applies.

- a. You may extend the insurance provided by this Coverage Part to apply to your personal property (other than property in the care, custody or control of your salespersons) in transit more than 100 feet from the described premises. Property must be in or on a motor vehicle you own, lease or operate while between points in the coverage territory. For the purposes of this Coverage Extension, the coverage territory is extended to include Canada but only for a period of thirty (30) consecutive days. Coverage begins when the property leaves the United States and automatically ends after thirty (30) days or at the end of the policy period, whichever occurs first.

- b. Loss or damage must be caused by or result from one of the following causes of loss:
 - (1) Fire, lightning, explosion, windstorm or hail, riot or civil commotion, or vandalism.
 - (2) Vehicle collision, upset or overturn. Collision means accidental contact of your vehicle with another vehicle or object. It does not mean your vehicle's contact with the road bed.
 - (3) Theft of an entire bale, case or package by forced entry into a securely locked body or compartment of the vehicle. There must be visible marks of the forced entry.
- c. The most we will pay for loss or damage under this Extension is \$5,000.

This Coverage Extension is additional insurance. The Additional Condition, Coinsurance, does not apply to this Extension.

2. **Water Damage, Other Liquids, Powder Or Molten Material Damage**

If loss or damage caused by or resulting from covered water or other liquid, powder or molten material damage loss occurs, we will also pay the cost to tear out and replace any part of the building or structure to repair damage to the system or appliance from which the water or other substance escapes. This Coverage Extension does not increase the Limit of Insurance.

3. **Glass**

- a. We will pay for expenses incurred to put up temporary plates or board up openings if repair or replacement of damaged glass is delayed.
- b. We will pay for expenses incurred to remove or replace obstructions when repairing or replacing glass that is part of a building. This does not include removing or replacing window displays.

This Coverage Extension, **F.3.**, does not increase the Limit of Insurance.

G. **Definitions**

- 1. **"Specified Causes of Loss"** means the following: Fire; lightning; explosion; windstorm or hail; smoke; aircraft or vehicles; riot or civil commotion; vandalism; leakage from fire extinguishing equipment; sinkhole collapse; volcanic action; falling objects; weight of snow, ice or sleet; water damage.
 - a. Sinkhole collapse means the sudden sinking or collapse of land into underground empty spaces created by the action of water on limestone or dolomite. This cause of loss does not include:
 - (1) The cost of filling sinkholes; or
 - (2) Sinking or collapse of land into man-made underground cavities.
 - b. Falling objects does not include loss or damage to:
 - (1) Personal property in the open; or

- (2) The interior of a building or structure, or property inside a building or structure, unless the roof or an outside wall of the building or structure is first damaged by a falling object.

c. Water damage means:

- (1) Accidental discharge or leakage of water or steam as the direct result of the breaking apart or cracking of a plumbing, heating, air conditioning or other system or appliance (other than a sump system including its related equipment and parts), that is located on the described premises and contains water or steam; and
- (2) Accidental discharge or leakage of water or waterborne material as the direct result of the breaking apart or cracking of a water or sewer pipe that is located off the described premises and is part of a municipal potable water supply system or municipal sanitary sewer system, if the breakage or cracking is caused by wear and tear.

But water damage does not include loss or damage otherwise excluded under the terms of the Water Exclusion. Therefore, for example, there is no coverage under this policy in the situation in which discharge or leakage of water results from the breaking apart or cracking of a pipe which was caused by or related to weather-induced flooding, even if wear and tear contributed to the breakage or cracking. As another example, and also in accordance with the terms of the Water Exclusion, there is no coverage for loss or damage caused by or related to weather-induced flooding which follows or is exacerbated by pipe breakage or cracking attributable to wear and tear.

To the extent that accidental discharge or leakage of water falls within the criteria set forth in **c.(1)** or **c.(2)** of this definition of "specified causes of loss," such water is not subject to the provisions of the Water Exclusion which preclude coverage for surface water or water under the surface of the ground.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

1. Assumed by contract or agreement prior to loss; or
2. Required by local ordinance.

Such limit is the most we will pay regardless of the number of responding fire departments or fire units and regardless of the number or type of services performed.

If this policy contains other specific coverage for Fire Department Service Charge as an additional amount for such charge, such coverage shall also apply if one or both of the following circumstances apply:

1. The total of the actual Fire Department Service Charge plus the amount we pay for direct physical loss or damage exceeds the Limit of Insurance on the Covered Property that has sustained loss or damage.

No Deductible applies to this Coverage.

C. Lost Key Coverage

The most we will pay under this Extension of Coverage in any one "occurrence" is the Sub-Limit shown in the Schedule.

2. Coinsurance does not apply to this Additional Coverage.

Under this Additional Coverage, we will not pay for:

If Replacement Cost applies and the property is being repaired or replaced, on the same or another location, we will pay the lesser of:

- (a) The amount you actually spend to repair, rebuild or reconstruct the building, but not for more than the amount it would cost to restore the building on the same location and to the same height, floor area, style and comparable quality of the original property insured; or

If Replacement Cost applies and the property is not repaired or replaced, or if Replacement Cost does not apply, we will pay the lesser of:

If this policy contains other specific coverage for Property Off-Premises as an additional amount of insurance, such coverage shall also apply if the amount of direct physical loss or damage exceeds the Sub-Limit on the Property off Premises that has sustained loss or damage.

K. Newly Acquired Buildings

If this policy covers Buildings, you may extend that insurance to apply to:

1. Your new buildings while being built on the described premises; and
2. Buildings you acquire at locations, other than the described premises, intended for:
 - (a) Similar use as the building described in the Declarations; or

The most we will pay for loss or damage under this Extension is the Sub-Limit shown in the Schedule, but not more than \$250 for any one tree, shrub or plant. These limits apply to any one "occurrence", regardless of the types or number of items lost or damaged in that "occurrence". If this policy contains other specific coverage for Outdoor Property as an additional amount of insurance, such coverage shall also apply if the amount of direct physical loss or damage exceeds the Sub-Limit on the Outdoor Property that has sustained loss or damage.

M. Electronic Data

1. We will pay for the cost to replace or restore “electronic data” which has been destroyed or corrupted by a Covered Cause of Loss. To the extent that electronic data is not replaced or restored, the loss will be valued at the cost of replacement of the media on which the electronic data was stored, with blank media of substantially identical type.
2. The Covered Causes of Loss applicable to this Additional Coverage – Electronic Data, are Fire; lightning; explosion; windstorm or hail; smoke; aircraft or vehicles; riot or civil commotion; vandalism; leakage from fire extinguishing equipment; sinkhole collapse; volcanic action; falling objects; weight of snow, ice or sleet; water damage and collapse. These Causes of Loss only apply if they also apply to the Covered Property which is the subject of the insurance and will apply only as described and limited therein.
3. This Additional Coverage does not apply to your stock of prepackaged software, or to “electronic data” which is integrated in and operates or controls the building’s elevator, lighting, heating, ventilation, air conditioning or security system.
4. Regardless of the Causes of Loss applicable, we will not pay for loss or damage caused by or resulting from a virus, harmful code or similar instruction, whether from an internal or external source, introduced into or enacted on a computer system (including electronic data) or a network to which it is connected, designed to damage or destroy any part of the system or disrupt its normal operation. There also is no coverage for loss or damage caused by or resulting from manipulation of a computer system (including electronic data) by any employee, including a temporary or leased employee, or by an entity retained by you or for you to inspect, design, install, modify, maintain, repair or replace that system.
5. The most we will pay under this Additional Coverage – Electronic Data is the Sub-Limit shown in the Schedule for all loss or damage sustained in any one policy year, regardless of the number of “occurrences” of loss or damage or the number of premises, locations or computer systems involved. If loss payment on the first “occurrence” does not exhaust this amount, then the balance is available for subsequent loss or damage sustained in but not after that policy year. With respect to an “occurrence” which begins in one policy year and continues or results in additional loss or damage in a subsequent policy year(s), all loss or damage is deemed to be sustained in the policy year in which the “occurrence” began.

If this policy contains other specific coverage to pay the cost to replace or restore “electronic data” as an additional amount of insurance, such coverage shall also apply if the amount of direct physical loss or damage exceeds the Sub-Limit on for Electronic Data that has sustained loss or damage.

It is further agreed that for purposes of this endorsement, the following Definition is added to the policy:

“Electronic data” means facts, concepts and information converted to a form useable for communications, interpretation or processing by electronic or electromechanical data processing or electronically controlled equipment and includes programs, software, and other coded instructions for the processing and manipulation of data or the direction and manipulation of such equipment.

With respect to otherwise covered Business Income and Extra Expense, “breakdown” to “covered equipment” will be considered a Covered Cause of Loss.

2. **“Breakdown”**

- a. “Breakdown” means:

- (1) Failure of pressure or vacuum equipment;
- (2) Mechanical failure including rupture or bursting caused by centrifugal force; or
- (3) Electrical failure caused by artificially generated electric current, including arcing;

that causes direct physical loss or damage to “covered equipment” and necessitates its repair or replacement.

- b. “Breakdown” does not mean:

 - (5) Leakage at any valve, fitting, shaft seal, gland packing, joint or connection;
 - (6) Malfunction including but not limited to adjustment, alignment, calibration, cleaning or modification; or
 - (7) The functioning of any safety or protective device.
- c. If an initial "breakdown" causes other "breakdowns", all will be considered one "breakdown". All "breakdowns that manifest themselves at the same time and are the result of the same cause will also be considered one "breakdown".

3. "Covered Equipment"

- a. "Covered equipment" means any Covered Property that is:
- (1) Equipment designed and built to operate under internal pressure or vacuum other than weight of contents. For any boiler or fired vessel, the furnace of the "covered equipment" and the gas passages from there to the atmosphere will be considered as outside the "covered equipment";
 - (2) Communication equipment and "computer equipment";

4. **Property Not Covered.** With regard to the coverage provided by this Endorsement only, A.2.b. in the Coverage Form to which this Endorsement applies is deleted and replaced by the following:

b. Animals.

5. **Equipment Breakdown Coverage Extensions.** The following coverages also apply to loss or damage caused by or resulting from a "breakdown" to "covered equipment". These Equipment Breakdown Coverage Extensions do not provide additional amounts of insurance. The limits provided are part of, not in addition to, the Limit of Insurance that applies to the damaged Covered Property.

a. **Perishable Goods.**

(1) We will pay for:

- (a) Your loss of "perishable goods" due to spoilage;
- (b) Your loss of "perishable goods" due to spoilage that is caused by or results from an interruption in utility services that is the direct result of a "breakdown" to "covered equipment" that is owned by a utility, landlord, or other supplier with whom you have a contract to provide you with any of the following services: electrical power, communications, waste disposal, air conditioning, refrigeration, heating, gas, air, water or steam. Coverage for such loss will begin 12 hours after the time the "breakdown" causes the interruption of the utility service; or
- (c) Your loss of "perishable goods" due to contamination from the release of refrigerant, including but not limited to ammonia.

We will also pay any necessary expense you incur to reduce the amount of loss under this coverage. We will pay such expenses to the extent that they do not exceed the amount of loss that otherwise would have been payable under this coverage.

- (2) If you are unable to replace the “perishable goods” before its anticipated sale, the amount of our payment will be determined on the basis of the sales price of the “perishable goods” at the time of the “breakdown”, less discounts and expenses you otherwise would have had. Otherwise our payment will be determined in accordance with the Loss Payment Condition.
- (3) The most we will pay for any loss or expense under this Equipment Breakdown Coverage Extension is \$25,000 or the Limit of Insurance for Perishable Goods shown on the Equipment Breakdown Schedule, whichever is greater.

Utility Interruption.** The insurance provided for Business Income and/or Extra Expense, if covered elsewhere in the policy, is extended to apply to loss caused by or resulting from an interruption in utility services that is a direct result of a “breakdown” to “covered equipment” that is owned by a utility, landlord, or other supplier with whom you have a contract to provide you with any of the following services: electrical power, communications, waste disposal, air conditioning, refrigeration, heating, gas, air, water or steam.

Coverage for Utility Interruption will begin 12 hours, or the time shown for Utility Interruption-Waiting Period in the Equipment Breakdown Schedule, after the time the “breakdown” causes the interruption of the utility service.

- d. Drying Out.** If electrical “covered equipment” requires drying out as a result of a flood, waves, tides, tidal waves, or overflow of any body of water or their spray, even if driven by wind, we will pay for the direct expense of drying out such electrical “covered equipment”.

The most we will pay for such expense under this Equipment Breakdown Coverage Extension is the least of:

- (1) \$10,000;
- (2) the Limit of Insurance shown on the Declaration for the applicable covered property; or
- (3) the value of such damaged electrical “covered equipment”.

e. **Pollution Clean Up and Removal.** With regard to coverage provided under this Endorsement only, Additional Coverage A.4.d. in the Coverage Form to which this Endorsement applies is deleted and replaced by the following:

d. We will pay your expense to extract “pollutants” from land or water at the described premises and the cost for clean-up, repair, replacement or disposal of Covered Property at the described premises if the discharge, dispersal, seepage, migration, release or escape of such “pollutants” is caused by or results from a “breakdown” to “covered equipment” that occurs during the policy period. The expenses will be paid only if they are reported to us in writing within 180 days of the date on which such “breakdown” occurs.

This Additional Coverage does not apply to costs to test for, monitor or assess the existence, concentration or effects of “pollutants”. But we will pay for testing which is performed in the course of extracting the “pollutants” from the land, water or the clean-up, repair, replacement, or disposal of Covered Property.

The most we will pay under this Additional Coverage, including any loss covered under any applicable Business Income or Extra Expense coverage, for the sum of all covered expenses is \$25,000 or the Limit of Insurance for Pollution Clean Up and Removal shown on the Equipment Breakdown Schedule, whichever is greater.

The coverage provided by this Additional Coverage does not include loss to “perishable goods” due to contamination from the release of a refrigerant.

f. **Data and Media.** We will pay your cost to research, replace and restore data, including programs and operating systems that are lost or corrupted due to a “breakdown”. We will also pay for loss or damage to “media” caused by a “breakdown”. The most we will pay under this Coverage Extension for the sum of all covered expenses, including any loss covered under any applicable Business Income and Extra Expense coverage is \$25,000 or the Limit of Insurance for Data and Media shown on the Equipment Breakdown Schedule, whichever is greater.

g. **Demolition and Increased Cost of Construction.**

The following applies despite the Ordinance or Law Exclusion. If a “breakdown” to “covered equipment” damages a building that is Covered Property that is insured at replacement cost, and the loss is increased by the enforcement of any laws or ordinances that are in force at the time of the “breakdown” and which regulate the demolition, construction, repair or use of the building or structure the following apply:

(1) We will pay for:

(a) Your actual cost to demolish and clear the site of the undamaged parts of the same building or structure as a consequence of enforcement of an ordinance or law that requires the demolition of such undamaged property; and

(b) Your actual expenditures for increased costs to repair, rebuild, or construct the building. If the building is repaired, rebuilt or constructed, it must be intended for a similar use or occupancy as the current building, unless otherwise required by zoning or land use ordinance or law;

(2) With regard to otherwise covered Business Income and Extra Expense coverage, the “period of restoration” is extended to include the additional period of time required for demolition and to meet the minimum requirement of any ordinance or law enforcement at the time of the “breakdown”.

- (3) We will not pay for any:
- (a) Fine;
 - (b) Liability to a third party;
 - (c) Increase in loss due to a “pollutant”; or
 - (d) Demolition cost until the undamaged portions of the building are actually demolished;
 - (e) Increased construction costs until the building is actually rebuilt and replaced;
 - (f) Increases in loss, excess of the amount required to meet the minimum requirement of any ordinance or law enforcement at the time of the “breakdown”; or
 - (g) Loss due to any ordinance or law that you were required to comply with before the “breakdown”, even if the building was undamaged, and with which you failed to comply.

The most we will pay under this Coverage Extension for the sum of all covered expenses, including any loss covered under any applicable Business Income and Extra Expense coverage, is \$25,000 or the Limit of Insurance for Demolition and Increased Cost of Construction shown on the Equipment Breakdown Schedule, whichever is greater.

6. **Equipment Breakdown Exclusions.** With regard to coverage provided under this Endorsement only, the following changes are made:

- c. With regard to the Causes of Loss – Special Form, the last paragraph of Exclusion B.2.d. is deleted and replaced by the following:

But if an excluded cause of loss that is listed in **2.d.(1)** through **(7)** results in a “breakdown”, we will pay the resulting loss or damage not otherwise excluded.
- d. The following exclusions apply to the coverage provided under this Endorsement in addition to the other exclusions, except as deleted in A.6.a. above, in the Coverage Form to which this Endorsement applies.

We will not pay under this Endorsement for loss or damage caused directly or indirectly by any of the following:

- (1) Any of the following tests:
 - (a) A hydrostatic, pneumatic or gas pressure test of any boiler or pressure vessel; or
 - (b) An insulation breakdown test of any type of electrical equipment;

- (2) Fire including fire resulting from a “breakdown”;
- (3) Combustion explosion;
- (4) Explosion of gases or fuel within the furnace of any fired vessel or within the flues or passages through which the gases of combustion pass;

7. Equipment Breakdown Limitations.

With regard to this Endorsement only, the following Limitations are deleted from the Causes of Loss – Special Form: C.1.a. and C.1.b.

8. Limits of Insurance

- a. The most we will pay for loss or damage in any one “breakdown” is the applicable Limit of Insurance shown in the Declarations. The limits provided for the Equipment Breakdown Coverage Extensions are part of, not in addition to, the Limit of Insurance shown in the Declarations that applies to the damaged Covered Property.

The coverage provided by this Endorsement is part of, not in addition to, the Limits of Insurance shown in the Declarations.

- b. The most we will pay for water damage that results from a “breakdown” to “covered equipment” is \$25,000 for any one “breakdown” This is part of, not in addition to, the Limit of Insurance shown in the Declarations that applies to damaged Covered Property.

9. **Deductible**

If an amount is shown in the Deductible section of the Equipment Breakdown Schedule, the following will apply; otherwise the deductible shown in the Declaration for the applicable coverage will apply.

Paragraph D. – Deductibles of the applicable coverage form is deleted and replaced by:

- a. In any one “breakdown, we will first reduce the amount of loss if required by the Coinsurance Condition or the Agreed Value Optional Coverage. If the adjusted amount of loss is less than or equal to the Deductible, we will not pay for that loss. If the adjusted amount of loss exceeds the Deductible, we will then subtract the Deductible from the adjusted amount of loss, and will pay the resulting amount or the Limit of Insurance, whichever is less.

The deductibles listed in the Equipment Breakdown Schedule shall be applied separately to the applicable coverage as follows:

(1) **Dollar Deductible**

If a dollar deductible is shown in the above schedule, we will first subtract the deductible amount from any loss we would otherwise pay.

(2) **Multiple per Unit Deductible**

If a multiple of units is shown in the above schedule, the deductible will be calculated as the sum of the multiplier times the number of units specified. (For example: if the deductible is specified as \$25/hp for air conditioning units, and a covered 500 hp air conditioning unit suffered a “Breakdown”, the deductible will be \$25 times 500 hp which equals \$12,500.)

(3) **Time Deductible**

If a time deductible is shown in the above schedule, we will not be liable for any loss under that coverage that occurs during that specified time period immediately following a “Breakdown”. If a time deductible is shown in days, each day shall mean twenty-four consecutive hours.

(4) **Multiple of Daily Value Deductible**

If a multiple of daily value is shown in the above schedule, this deductible will be calculated as follows:

- (a) For the entire premise described in the Declarations where the loss occurred, determine the total amount of Business Income that would have been earned during the "Period of Restoration" had no "Breakdown" taken place.
- (b) Divide the result in Paragraph (1) by the number of days the business would have been open during the "Period of Restoration". The result is the daily value.
- (c) Multiply the daily value in Paragraph (2) by the number of daily value multiples shown in the above schedule. We will first subtract this deductible amount from any loss we would otherwise pay. We will then pay the amount of loss or damage in excess of the deductible, up to the applicable Limit of Insurance.

(5) **Percentage of Loss Deductible**

If a deductible is expressed as a percentage of loss in the above schedule, we will not be liable for the indicated percentage of the gross amount of loss or damage insured under the applicable coverage.

(6) **Minimum Or Maximum Deductible**

(a) If:

- (i) A minimum dollar amount deductible is shown in the above schedule; and
- (ii) The dollar amount of the Multiple per Unit, Multiple of Daily Value or the Percentage of Loss Deductible is less than the Minimum Deductible:

then the Minimum Deductible amount shown in the above schedule will be the applicable deductible.

(b) If:

- (i) A maximum dollar amount deductible is shown in the above schedule; and
- (ii) The dollar amount of the Multiple per Unit, Multiple of Daily Value or the Percentage of Loss Deductible is greater than the Maximum Deductible;

then the Maximum Deductible amount shown in the above schedule will be the applicable deductible.

b. If more than one deductible applies to a single coverage, then only one deductible, the highest, will apply to that coverage.

SCHEDULE

Premises No.	Bldg. No.	Windstorm or Hail Deductible Percentage (enter 1%, 2%, 5% or other percent)	Minimum Deductible
All	All	3%	\$25,000 per occurrence

This percentage shown above is subject to the minimum deductible per “occurrence” shown above, if any.

The Windstorm or Hail Deductible, as shown in the Schedule, applies to loss or damage to Covered Property caused directly or indirectly by Windstorm or Hail, regardless of any other cause or event that contributes concurrently or in any sequence to the loss or damage. If loss or damage from a covered weather condition other than Windstorm or Hail occurs, and that loss or damage would not have occurred but for the Windstorm or Hail, such loss or damage shall be considered to be caused by Windstorm or Hail and therefore part of the Windstorm or Hail “occurrence”.

The Windstorm or Hail Deductible applies whenever there is an “occurrence” of Windstorm or Hail.

Nothing in this endorsement implies or affords coverage for any loss or damage that is excluded under the terms of the Water Exclusion or any other exclusion in this policy. If this policy is endorsed to cover Flood under the Flood Coverage Endorsement (or if you have a flood insurance policy), a separate Flood Deductible applies to loss or damage attributable to Flood, in accordance with the terms of that endorsement or policy.

WINDSTORM OR HAIL DEDUCTIBLE CALCULATION

A. All Policies

1. A Deductible is calculated separately for, and applies separately to:
 - a. Each building, if two or more buildings sustain loss or damage;

- b. The building and to personal property in that building, if both sustain loss or damage;
 - c. Personal property at each building, if personal property at two or more buildings sustains loss or damage;
 - d. Personal property in the open.
2. We will not pay for loss or damage until the amount of loss or damage exceeds the applicable Deductible. We will then pay the amount of loss or damage in excess of that Deductible, up to the applicable Limit of Insurance, after any reduction required by any of the following: Coinsurance Condition, Agreed Value Optional Coverage, Additional Condition – Need for Adequate Insurance or Additional Condition – Need for Full Reports.
 3. When property is covered under the Coverage Extension for Newly Acquired or Constructed Property: In determining the amount, if any, that we will pay for loss or damage, we will deduct an amount equal to a percentage of the value(s) of the property at time of loss. The applicable percentage for Newly Acquired or Constructed Property is the highest percentage shown in the Schedule for any described premises.

B. Calculation of the Deductible

1. Deductible calculation applicable to the following forms:

BUILDING AND PERSONAL PROPERTY COVERAGE FORM
 BUILDERS RISK COVERAGE FORM
 CONDOMINIUM ASSOCIATION COVERAGE FORM
 DIFFERENCE IN CONDITIONS COVERAGE FORM
 OTHER APPLICABLE INLAND MARINE COVERAGE FORMS

In determining the amount, if any, that we will pay for loss or damage, we will deduct an amount equal to 1%, 2%, 5% or other percent (as shown in the Schedule) of the value of each unit of insurance of Covered Property that has sustained loss or damage. The value(s) to be used are the latest value(s) shown in the most recent Report of Values on file with us.

However:

- a. If the most recent Report of Values shows less than the full value(s) of the property on the report dates, we will determine the deductible amount as a percentage of the full value(s) as of the report dates.
 - b. If the first Report of Values is not filed with us prior to loss or damage, we will determine the deductible amount as a percentage of the applicable Limit(s) of Insurance.
2. Deductible calculation applicable to the following forms:

BUSINESS INCOME (AND EXTRA EXPENSE) COVERAGE FORM
 BUSINESS INCOME (WITHOUT EXTRA EXPENSE) COVERAGE FORM
 EXTRA EXPENSE COVERAGE FORM

In determining the amount, if any, that we will pay for loss or damage, we will deduct an amount equal to 1%, 2%, 5% or other percent (as shown in the Schedule) of the full value(s) that would have been earned in the 12 month period following the “occurrence” by use of the lost or damaged Covered Property, at the premises described in the Declarations where the physical damage happened, plus that proportion of the values at all other locations where

loss ensues that was directly affected by use of such lost or damaged Covered Property and that would have been earned in the 12 month period following the "occurrence".

3. In determining the amount, if any, that we will pay for loss or damage, we will deduct an amount equal to 1%, 2%, 5% or other percent (as shown in the Schedule) of the value of each unit of insurance of Covered Property. The percentages referenced in paragraphs **B.2.** and **B.3.** above are subject to a Minimum Deductible per "occurrence" as shown in the Schedule, if any.

All other terms and conditions of this Policy remain unchanged.
