

Investigations: Readiness and Response Webinar Series

Webinar | 04.27.21 - 04.30.21, 12:00 AM UTC - 12:00 AM UTC

Please join us for an investigations-focused webinar series where our team of litigators, former prosecutors, and regulatory attorneys will discuss useful strategies for navigating a government probe or ensuring compliance with regulations and corporate policies. Our presenters will provide companies with critical information for navigating commercial risk and enforcement. This webinar series covers broad-reaching investigations in a variety of areas, including:

- Nuts & Bolts of Investigations: Protecting Privilege
- Labor, Employment, and COVID-related Investigations
- Congressional Investigations & National Security
- Antitrust & Competition Investigations
- Government Contracts Investigations: FCA and Beyond
- Digital Assets Investigations
- Anti-corruption & Sanctions Investigations
- Trade Secrets Investigations
- Health Care Investigations: FCA and Beyond
- Data Protection & Cybersecurity Investigations
- Environmental Investigations
- PPP Investigations
